KLA Corporation Announces Early Results of Previously Announced Cash Tender Offer

MILPITAS, Calif., July 6, 2022 /PRNewswire/ -- KLA Corporation ("KLA") (NASDAQ: KLAC) today announced the early results of the previously announced cash tender offer (the "Tender Offer") for up to \$500,000,000 aggregate principal amount (the "Maximum Amount") of its 4.650% Senior Notes due 2024 ("Notes").

https://mma.prnewswire.com/media/806571/KLA_Corporation_Logo.jpg

The Maximum Amount represents the aggregate principal amount of Notes subject to the Tender Offer and excludes any Accrued Interest or Early Tender Payment (each as defined below). The Tender Offer is being made upon the terms and subject to the conditions set forth in the Offer to Purchase, dated June 21, 2022 (as amended or supplemented from time to time, the "Offer to Purchase"), which sets forth a detailed description of the Tender Offer. The Tender Offer is open to all registered holders (individually, a "Holder" and collectively, the "Holders") of Notes.

The early results of the Tender Offer are summarized in the table below:

Title of Notes	CUSIP Number	Early Tender Payment ⁽¹⁾	Principal Amount Outstanding	Principal Amount Tendered	Principal Amount Expected to be Accepted for Purchase ⁽²⁾
4.650% Senior Notes due 2024.....	482480 AE0	\$30.00	\$1,250,000,000	\$705,822,000	\$500,000,000

(1) Per \$1,000 principal amount of Notes validly tendered at or prior to the Early Tender Date and accepted for purchase.

(2) After application of proration.

The consideration to be paid in the Tender Offer for Notes validly tendered and expected to be accepted for purchase as described in the Offer to Purchase (the "Total Consideration") will be determined at 9:00 a.m., New York City time, on July 6, 2022.

As of 5:00 p.m., New York City time, on July 5, 2022 (the "Early Tender Date"), as reported by D.F. King & Co., Inc., the Tender and Information Agent for the Tender Offer, the principal amount of Notes listed in the table above have been validly tendered and not validly withdrawn. The Withdrawal Deadline (as defined in the Offer to Purchase) of 5:00 p.m., New York City time, on July 5, 2022 has passed and, accordingly, Notes validly tendered in the Tender Offer may no longer be withdrawn.

KLA expects to accept for purchase and make payment for Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date on July 7, 2022 (the "Early Settlement Date"), subject to proration. Because the aggregate principal amount of Notes validly tendered exceeds the Maximum Amount, KLA expects that it will accept validly tendered

Notes on a prorated basis in accordance with the Offer to Purchase.

Because KLA expects to accept for purchase the Maximum Amount of Notes, no additional Notes will be purchased pursuant to the Tender Offer after the Early Settlement Date. As described in the Offer to Purchase, all Notes tendered and not accepted for purchase will be promptly returned to the tendering Holder's account.

Holders of all Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date and accepted for purchase are eligible to receive the Total Consideration, which includes the Early Tender Payment of \$30 per \$1,000 principal amount of Notes tendered at or prior to the Early Tender Date (the "Early Tender Payment"). In addition to the Total Consideration, Holders of Notes accepted for purchase will receive accrued and unpaid interest up to, but not including, the Early Settlement Date ("Accrued Interest").

KLA expressly reserves the right, in its sole discretion, subject to applicable law, to terminate the Tender Offer at any time prior to the Expiration Date (as defined in the Offer to Purchase). The Tender Offer is not conditioned on any minimum principal amount of Notes being tendered but the Tender Offer is subject to certain conditions as described in the Offer to Purchase.

KLA has retained BofA Securities and Citigroup to act as the dealer managers (the "Dealer Managers") for the Tender Offer. D.F. King & Co., Inc. has been retained to act as the Tender and Information Agent for the Tender Offer.
