SSR MINING PROVIDES UPDATE ON ÇÖPLER INCIDENT

DENVER - SSR Mining Inc. (NASDAQ/TSX: SSRM, ASX: SSR) ("SSR Mining" or the "Company") announces an update on the February 13, 2024 incident at Çöpler.

On May 24, 2024, the Company received a copy of the Expert Committee Report (the "Report") commissioned by the İliç Chief Public Prosecutor's Office related to its investigation of the Çöpler Incident at the time it was made available to the public. At this time the Company has only completed a preliminary review.

The Company notes that the Çöpler heap leach pad was designed, and has been reviewed over the years, by multiple reputable, third-party engineering firms and based on the Company's preliminary, initial review and assessment of the incident, the Company has not identified any material non-conformance with the construction or operation of the heap leach pad relative to the third-party engineered design parameters. The Company will continue to evaluate the Report in conjunction with its assessment of the Çöpler Incident.

We continue to support our colleagues at the Çöpler Mine and our thoughts remain with all of the families, colleagues and community members impacted by the Çöpler Incident.

Cautionary Note Regarding Forward-Looking Information and Statements

Except for statements of historical fact relating to us, certain statements contained in this news release constitute forward-looking information, future oriented financial information, or financial outlooks (collectively "forward-looking information") within the meaning of applicable securities laws. Forward-looking information may be contained in this document and our other public filings. Forward-looking information relates to statements concerning our outlook and anticipated events or results and, in some cases, can be identified by terminology such as "may", "will", "could", "should", "expect", "plan", "anticipate", "believe", "intend", "estimate", "projects", "predict", "potential", "continue" or other similar expressions concerning matters that are not historical facts.

Forward-looking information and statements in this news release are based on certain key expectations and assumptions made by us. Although we believe that the expectations and assumptions on which such forward-looking information and statements are based are reasonable, undue reliance should not be placed on the forward-looking information and statements because we can give no assurance that they will prove to be correct. Forward-looking information and statements are subject to various risks and uncertainties which could cause actual results and experience to differ materially from the anticipated results or expectations expressed in this news release.

Forward-looking information and statements in this news release include any statements concerning, among other things: consultation with third parties and government authorities, the results of continuing and future analysis and assessments of the cause of the Çöpler Incident, any and all other timing, exploration, development, operational, financial, budgetary, economic, legal, social, environmental, regulatory, and political matters that may influence or be influenced by future events or conditions.

The above list is not exhaustive of the factors that may affect any of the Company's forward-looking information. You should not place undue reliance on forward-looking information and statements. Forward-looking information and statements are only predictions based on our current expectations and our projections about future events. Actual results may vary from such forward-looking information for a variety of reasons including, but not limited to, risks and uncertainties resulting from the incident at Çöpler described in our Annual Report on Form 10-K for the year ended December 31, 2023 and in our quarterly report on Form 10-Q for the quarter end March 31, 2024; and other risks and uncertainties disclosed in our filings on our website at www.ssrmining.com, on SEDAR at www.sedarplus.ca, on EDGAR at www.sec.gov and on the ASX at www.asx.com.au and other unforeseen events or circumstances. Other than as required by law, we do not intend, and undertake no obligation to update any forward-looking information to reflect, among other things, new information or future events. The information contained on, or that may be accessed through, our website is not incorporated by reference into, and is not a part of, this document.
