The Shyft Group's Utilimaster To Exhibit Leading Parcel Delivery Vehicles At General Motors' Fleet Solutions Summit And The Contractor Expo

July 27, 2021

Utilimaster will showcase its Velocity F2, Aeromaster Walk-In Van, and Utilivan Cutaway

NOVI, Mich., July 27, 2021 /PRNewswire/ -- [Utilimaster®](http://Utilimaster.com), a go-to-market brand of The Shyft Group's Fleet Vehicles & Services business unit (NASDAQ: SHYF) ("Shyft" or the "Company"), North America's leader in specialty vehicle manufacturing, assembly, and upfit for ecommerce-driven parcel delivery, as well as the broader commercial, retail, and service specialty vehicle markets, announced it will be attending both the GM Fleet Solutions Summit at MetLife Stadium in East Rutherford, New Jersey, from July 27-28 as well as the [Contractor Expo](http://ContractorExpo.com) in Nashville, Tennessee, from July 30-31.

"Utilimaster continues to see strong demand for last mile parcel delivery vehicles, and we have positioned ourselves to support our dealers and the independent contractors they serve with the industry's best fleet vehicles," said Chad Heminover, President, Shyft Fleet Vehicles & Services. "Interest in the Velocity F2® has been tremendous, and we're thrilled to be able to showcase this vehicle along with the Aeromaster® and Utilivan® products during these upcoming events."

Based on the continued rapid growth in ecommerce, concurrent demand for parcel delivery vehicles has accelerated. Utilimaster will exhibit its top-of-the-line last mile delivery vehicles at the following shows:

Contractor Expo

- [Velocity F2](#), which is built on a Ford Transit chassis and is the industry's most efficient and accessible walk-in van, offering nimbleness, comfort, and fuel efficiency, alongside easy access and robust storage capacity.
- [Aeromaster Walk-In Van](#) that has a highly modularized stand-up cargo area and multiple door configurations. Its lightweight aluminum construction provides a durable, rust-free body for lighter overall weight and increased

payload capacity, while low step-in cab and rear doors make entry and exit easy and accessible.

- [Utilivan Cutaway](#), built on a GM 3500 Chassis and with a Utiliplate body, the vehicle provides additional cargo space and delivers optimal performance with maximum durability.

GM Fleet Solutions Summit

- [Utilivan Cutaway](#), built on a GM 3500 Chassis and with a Utiliplate body, the vehicle provides additional cargo space and delivers optimal performance with maximum durability.

The annual Contractor Expo is the largest independent gathering of contractors of FedEx Ground in the country and ensures contractors can network and learn from each other and industry-specific vendors. The GM Fleet Solutions Summit showcases solutions for GM customers' needs, displays new product lineups, and provides updates from General Motors. It is attended by more than 800 commercial, government, and daily rental fleet customers.

As an industry leader and longstanding last mile delivery fleet provider, Utilimaster has the expertise to deliver vehicles that increase efficiency, safety, and long-term value with an aftermarket customer service team dedicated to keeping vehicles on the road.
