## Announcement regarding change of the shareholder return policy

At the Board of Directors' Meeting held on May 11, 2022, The Gunma Bank, Ltd. ("the Bank") resolved to change the shareholder return policy, as follows.

### 1. Reason for the change

In order to meet the expectations of a wide range of stakeholders, the Bank has been working to strengthen its financial structure and return profits to shareholders through stable dividends and stock buybacks. The Bank has decided to make the following change to its shareholder return policy in order to further enhance shareholder returns while considering the balance between maintenance / improvement of soundness and investment for growth.

## 2. Details of the change

|                   | The Bank is working to strengthen the financial structure and under     |  |  |
|-------------------|---|--|--|
| Before the change | the basic policy of continuing to provide stable cash dividends, return |  |  |
|                   | performance - linked profits to shareholders.                           |  |  |
|                   | For the time being, the Bank is setting a target of 40% of the non-     |  |  |
|                   | consolidated profit for the ratio of total payout to shareholders       |  |  |
|                   | combining cash dividend payments and the acquisition cost of treasury   |  |  |
|                   | shares.   |  |  |
| After the change  | As a regional financial institution, the Bank will strive to increase   |  |  |
|                   | shareholder returns by striving to enhance equity capital while         |  |  |
|                   | balancing profitability and investment for growth.                      |  |  |
|                   | Specifically, the Bank is setting a target of 40% of the profit         |  |  |
|                   | attributable to owners of parent for the ratio of total payout to       |  |  |
|                   | shareholders combining stable cash dividend payments and the            |  |  |
|                   | acquisition cost of treasury shares.                                    |  |  |
