ACC wins three NSCI Awards for its outstanding achievements at Thondebhavi, Jamul and Tikaria units

EDITOR'S SYNOPSIS

- ACC receives the prestigious NSCI Safety Award for 2022 for putting employee safety first at all times and safeguarding their well-being.
- ACC received three awards: third-level Safety Award 'Suraksha Puraskar', the fourth-level Safety Award 'Prashansa Patra', and a Certificate of Appreciation for ensuring the safety and health of its employees working in the manufacturing sector.

Mumbai, 10th April 2023: ACC Limited, the building and material company of Adani Cement and part of Adani Group, has been honoured with three prestigious awards by the National Safety Council of India (NSCI) for its outstanding achievements in occupational health and safety (OHS) at the SHE CON-2023, the 13th National Conference & Expo on 17th March 2023.

The company has been recognized for its commitment to maintaining a safe and healthy work environment for its employees, implementing best practices in occupational health and safety, and demonstrating exemplary leadership in the industry. The Company's Thondebhavi unit in Karnataka received the third-level Safety Award 'Suraksha Puraskar', Certificate along with a bronze trophy for effectively implementing Occupational Safety and Health (OSH) and received the fourth-level Safety Award 'Prashansa Patra' Certificate for implementing safety measures for its employees at Jamul unit in Chhattisgarh. A Certificate of Recognition was presented to the Tikaria unit in Uttar Pradesh for adopting successful safety measures.

Mr. Ajay Kapur, CEO, Cement Business said, "We are honored to have been recognized by the NSCI with three prestigious awards for our commitment to ensuring the safety and well-being of our employees, and we are proud to be recognized for our efforts. With a strong emphasis on occupational health and safety, we have a robust safety management system in place."

The NSCI awards are a validation of the Company's efforts in creating a safe and healthy work environment for its employees and its commitment to maintaining the highest standards of occupational health and safety in the industry.

About ACC Limited

ACC Limited is a part of Adani Cement and one of India's leading producers of cement and ready-mix concrete. It is a member of the Adani Group - the largest and fastest-growing portfolio of diversified sustainable businesses. ACC has 17 cement manufacturing sites, over 84 concrete plants, and a nationwide network of channel partners to serve its customers. With a world-class R&D center in Mumbai, the quality of ACC's products and services, as well as its commitment to technological development, make it a preferred brand in building materials. Established in 1936, ACC is counted among the country's 'Most Sustainable Companies' and is recognized for its best practices in environmental management and corporate citizenship. With sustainability at the core of its strategy, ACC is the first Indian Cement Company to sign the Net Zero Pledge with Science Based Targets.
