To raise additional working capital. Further details regarding the 'at-the-market' offering in the United States ("ATM Offering") are set out in the Form 8-K and Prospectus Supplement lodged by Piedmont on the date of this Appendix 3B.

7F.1 Will the entity be changing its dividend/distribution policy if the proposed issue proceeds?

No

7F.2 Any other information the entity wishes to provide about the proposed issue

1. The proposed issue to which this Appendix 3B relates is Piedmont's proposed issue of common stock in Piedmont on the Nasdaq Stock Market LLC under an 'at-the-market' offering in the United States ("ATM Offering"). Under the ATM Offering, Piedmont will advise its broker, B. Riley Securities, Inc., to place a certain number of shares of common stock, subject to certain parameters (including a minimum price at which those shares of common stock must be offered). B. Riley Securities, Inc. will then proceed to offer those shares into the United States market and seek to sell those shares based on Piedmont's instructions.

2. The proposed issue date for shares of common stock to be issued under the ATM Offering is not currently known. The "proposed issue date" of 31 May 2024 that is stated in this Appendix 3B has been provided only because it is a requirement of this Appendix 3B and it is not indicative of the actual issuance date of shares of common stock to be issued under the ATM Offering, which may occur on multiple dates between the date of the Sales Agreement between Piedmont and B. Riley Securities, Inc. and the date on which the Sales Agreement is terminated in accordance with its terms.

3. The "issue price per security" referred to in this Appendix 3B (in both USD and AUD) is an estimate only based on the closing price of Piedmont's shares of common stock on The Nasdaq Stock Market LLC on Friday May 24, 2024 (US time) (being May 25, 2024 Australia time), being the last closing price of Piedmont's shares of common stock before this Appendix 3B was lodged. However, the actual price for the shares of common stock to be issued under the ATM Offering is not currently known, and will change throughout the ATM Offering depending on the market conditions at the relevant time that each respective offer of shares of common stock is made under the ATM Offering.

4. The Sales Agreement provides for the offer and sale of up to US\$50,000,000 of shares of common stock, from time to time. Based on the closing price of Piedmont's shares of common stock on The Nasdaq Stock Market LLC on Friday May 24, 2024 (US time) (being May 25, 2024 Australia time), being the last closing price of Piedmont's shares of common stock before this Appendix 3B was lodged, Piedmont may issue up to a maximum of 3,448,276 shares of common stock under the ATM Offering. There is no minimum number of shares of common stock to be offered under the ATM Offering.

5. Piedmont was granted a waiver by ASX from ASX Listing Rule 7.1. Accordingly, Piedmont can issue or agree to issue equity securities above its 15% placement capacity without shareholder approval provided that it complies with the Nasdaq Stock Market LLC rules and the relevant US securities law with respect to the issue of equity securities.

6. The shares of common stock actually issued by Piedmont under the ATM Offering, and the price payable per share of common stock issued, will be disclosed to the ASX at the relevant times in the form of an Appendix 3G.

Further details regarding the ATM Offering are set out in the Form 8-K and Prospectus Supplement lodged by Piedmont on the date of this Appendix 3B.
