

Virtual presentation to institutional investors and analysts in the context of the Investor Day

Maroussi, 16 July 2021

LAMDA DEVELOPMENT S.A. (hereinafter the “Company”), in accordance with Regulation 596/2014/EU and the Athens Exchange Regulation, each as applicable, hereby announces that on 15.07.2021 it hosted a virtual presentation, in the context of the Investor Day, so as to present to institutional investors and analysts the outlook for the existing investment portfolio as well as for the landmark Ellinikon project. The Company’s CEO, Mr. Odisseas Athanasiou, presented the strategic/investment plan as well as details on the progress of the Ellinikon project.

The electronic form of the presentation can be found on the Company’s website (www.lamdadev.com).

The Company intends to periodically inform the investing public for the progress of the Ellinikon project. In this context, on Tuesday 20.07.2021 an online presentation will be hosted for the official presentation of the development of the Coastal Front and the architectural design of the Marina Galleria. The online presentation will be broadcast on the relevant channel of the Company (www.youtube.com/TheEllinikon).
