EXPLANATORY MEMORANDUM

This Explanatory Memorandum contains background material to assist Shareholders in relation to the items of business to be considered at the 2022 Annual General Meeting and in deciding how to vote on the resolutions set out in this Notice.

Item 1. Financial and other Reports

The Corporations Act requires the Directors to lay before the 2022 Annual General Meeting the financial statements, the Directors' report and the auditor's report for the last financial year that ended before the 2022 Annual General Meeting. These reports are contained in the 2022 Annual Report, which has been released to the ASX and is available from the Company's website www.nrw.com.au.

Shareholders will be provided with a reasonable opportunity to ask questions or make statements in relation to these reports but no formal resolution to adopt the reports will be put to Shareholders at the 2022 Annual General Meeting.

Item 2. Re-election of Mr Michael Arnett (Resolution 1)

Rule 5.1 of the Constitution requires that, at the Annual General Meeting, one-third of the Directors for the time being or, if their number is not 3 or a multiple of 3, the number nearest to but not exceeding 1/3 retire from office. Pursuant to rule 5.4 of the Constitution, a retiring Director is eligible for re-election without the necessity of giving any previous notice of his intention to submit himself for re-election.

Mr Arnett was appointed as a Non-Executive Director on 27 July 2007 and appointed Chairperson on 9 March 2016. Mr Arnett is a former consultant to, partner of and member of the Board of Directors and national head of the Natural Resources Business Unit of the law firm Norton Rose Fulbright (formally Deacons). He has been involved in significant corporate and commercial legal work for the resource industry for over 20 years.

Mr Arnett has held the following directorships of listed companies in the three-years immediately before the end of the financial year:

- Non-Executive Chairperson, Genmin Limited (Appointed 10 March 2021)

With the exception of Mr Arnett, the Board unanimously recommends that Shareholders vote in favour of Resolution 1. Mr Arnett does not make any recommendation to Shareholders in relation to this resolution as he is subject to the re-election.

Item 3. Re-election of Ms Fiona Murdoch (Resolution 2)

Rule 5.1 of the Constitution requires that, at the Annual General Meeting, one-third of the Directors for the time being or, if their number is not 3 or a multiple of 3, the number nearest to but not exceeding 1/3 retire from office. Pursuant to rule 5.4 of the Constitution, a retiring Director is eligible for re-election without the necessity of giving any previous notice of his intention to submit himself for re-election.

Ms Murdoch was appointed as a Non-Executive Director on 24 February 2020. Ms Murdoch has over 30 years' resource and infrastructure experience in Australia and overseas, holding senior operational roles with AMCI Investments, MIM Holdings and Xstrata Queensland. She has extensive domestic and international experience with major projects in Western Australia, Northern Territory and Queensland, and in South America, Dominican Republic, Papua New Guinea and the Philippines.

Ms Murdoch is a Graduate of the AICD Company Director program and holds an MBA as well as an Honours degree in Law.

Ms Murdoch has held the following directorships of listed companies in the three-years immediately before the end of the financial year:

- Non-Executive Director, Metro Mining Limited (Appointed 11 May 2019)
- Non-Executive Director, Ramelius Resources Limited (Appointed 1 December 2021)
- Non-Executive Director, KGL Resources Limited (Appointed 12 June 2018), resigned 15 October 2021

In addition, Ms Murdoch serves on the Joint Venture Committee for the Australian Premium Iron Joint Venture and is also Chairperson of The Pyjama Foundation, a not-for-profit organisation providing learning-based activities for children in foster care.

With the exception of Ms Murdoch, the Board unanimously recommends that Shareholders vote in favour of Resolution 2. Ms Murdoch does not make any recommendation to Shareholders in relation to this resolution as he is subject to the re-election.

Item 4. Remuneration Report (Resolution 3)

Section 250R(2) of the Corporations Act requires that a resolution that the 2022 Remuneration Report be adopted be put to the vote at the 2022 Annual General Meeting.

The 2022 Remuneration Report is set out on pages 14 - 28 of the 2022 Annual Report. The 2022 Remuneration Report sets out the Company's remuneration policy and reports on the remuneration arrangements in place for Directors and key executives of the Company for the financial year ended 30 June 2022.

The vote on this resolution is advisory only and does not bind the Directors or the Company. The Directors will consider the outcome of the vote and comments made by Shareholders on the 2022 Remuneration Report at the 2022 Annual General Meeting when reviewing the Company's remuneration policies.

FY22 has been a successful year for the Company highlighted through record earnings and strong operating results. These results were delivered through tough economic conditions which included widespread labour shortages and increased supply chain and inflationary pressures. Despite these challenges, experienced widely across the sector, NRW was able to deliver on its projects and further its strategic objectives. The Board is satisfied that the FY22 Remuneration Report, and remuneration outcomes, reflect and support the Company's strategic and financial performance.

The Board does not make any recommendations to Shareholders in relation to Resolution 3 as it is intended to provide guidance to the Board.

Item 5. Approval of grant of Performance Rights for FY23 to Mr Julian Pemberton under the NRW Holdings Limited Performance Rights Plan (Resolution 4)

The Company is proposing to issue 862,167 Performance Rights to Mr Pemberton under the NRW Holdings Limited Performance Rights Plan as approved at the 2019 annual general (2019 AGM) of the Company (Plan).

ASX Listing Rule 10.14 requires that shareholder approval must be obtained for the acquisition of securities by, amongst others, a director of a company under an employee incentive scheme. ASX Listing Rule 10.14.1 applies to the issue of Performance Rights because Mr Pemberton is the Managing Director and CEO of the Company. Resolution 4 thus seeks the required shareholder approval to issue the Performance Rights to Mr Pemberton under and for the purposes of ASX Listing Rule 10.14.

If Resolution 4 is passed, the Company will issue 862,167 Performance Rights to Mr Pemberton as soon as practicable after the date of the 2022 Annual General Meeting and in any event within 12 months of the date of the meeting. Upon vesting, subject to the relevant performance targets described below, each Performance Right will entitle Mr Pemberton to one fully paid ordinary share in the Company.

If Resolution 4 is not passed, the proposed grant of the Performance Rights will not proceed and the Board will need to, acting reasonably and consistent with the Company's remuneration policies, determine the amount and form of the compensation payable to Mr Pemberton for the loss of the benefit of the Performance Rights, which may include providing an equivalent long-term cash incentive subject to the same risk of forfeiture, performance targets and performance periods as described below in respect of the grant of the Performance Rights.

Details of remuneration structure of CEO

The structure of the CEO's remuneration is a combination of a fixed annual salary and a variable annual award comprising of a short-term incentive and a long-term incentive, details of which are set out in the 2022 Remuneration Report on pages 14 - 28 of the 2022 Annual Report. The remuneration structure has been designed to not only ensure retention of the CEO but also to align Shareholder and executive remuneration outcomes by ensuring a significant portion of CEO remuneration is at risk, while rewarding performance.

The Board has awarded Mr Pemberton a fixed salary increase from \$1,250,000 to \$1,300,000 effective 1 July 2022. The fixed salary increase equates to a 4% pay rise to Mr Pemberton's base salary and is driven by and in

line with broader market conditions and awards. The FY23 Award is therefore calculated with reference to Mr Pemberton's total fixed remuneration (**TFR**) in FY23 of \$1,300,000.

Mr Pemberton is entitled under his remuneration structure to be awarded a long-term incentive equal to 120% of TFR. Resolution 4 seeks Shareholder approval for the issue of Performance Rights to Mr Pemberton which, if granted, will form part of his remuneration.

Key terms of Performance Rights issue

It is proposed that, if Resolution 4 is approved, Mr Pemberton will be granted 862,167 Performance Rights for the FY23 financial year (**FY23 Award**) for the 3-year period from 1 July 2022 to 30 June 2025. Other key terms are as follows:

- 3-year performance period (1 July 2022 to 30 June 2025).
- Vesting date of 30 September 2025.
- Vesting of Performance Rights will be subject to meeting certain performance targets set out below.
- Each Performance Right will, on vesting, entitle the holder to one fully paid ordinary share in the Company.
- As the Performance Rights are part of Mr Pemberton's remuneration, there is no price payable on the issue of Performance Rights or on allocation of shares if Performance Rights vest.

The number of Performance Rights proposed to be granted pursuant to Resolution 4 was determined using a 30-day volume-weighted average price (**VWAP**) of shares in the Company as at 30 June 2022 (which was an amount of \$1.81 per share). Accordingly, without applying any discount for the probability of vesting hurdles being satisfied (and if so, to what extent), this implies a value of \$1,560,000 for those Performance Rights.

Performance Rights proposed to be granted pursuant to Resolution 4 are focussed on delivering increased earnings and growth in shareholder value whilst maintaining appropriate levels of gearing within the business. For the FY23 Award the Board has decided to increase the weighting of Performance Rights to Total Shareholder Return (**TSR**) and Earnings Per Share (**EPS**), subsequently reducing the weighting of Gearing as a performance measure. This has resulted in a 40%: 40%: 20% weighting to TSR, EPS and Gearing, respectively.

Further, the Company has decided to grant the Performance Rights to Mr Pemberton because they create share price alignment between Mr Pemberton and Shareholders but do not provide the full benefits of share ownership (such as dividend and voting rights) unless the Performance Rights vest.

Performance targets and vesting

The table below sets out the performance targets for the Performance Rights which will be measured over a three-year performance period from 1 July 2022 to 30 June 2025.

FY25			
TSR (\$)⁽¹⁾	Min	\$2.92	TSR targets require a minimum growth objective of 5% per annum based on an initial share price of \$2.52 being the 30-day VWAP post FY22 Annual Financial Statements being released.
	Max	\$3.35	
EPS (cents)⁽²⁾	Min	26.0	EPS targets require delivery of at least 5% per annum growth from FY22 actual results.
	Max	29.9	
Gearing (%)	Below	40%	Gearing targets require growth to be funded through a balance sheet structure where debt to equity does not exceed 40%.

(1) The TSR objective is expressed as a target share price as a proxy for TSR. The final assessment will include appropriate adjustments which will include dividend payments and any equity raisings to reflect actual TSR.

(2) The final assessment of EPS will exclude the amortisation of acquisition intangibles and non-operating transactions (acquisition transaction costs for example) at normal tax rates.

The quantum of Performance Rights that will vest as each performance hurdle is met is shown in the table below. If performance is above the minimum objective but below the maximum objective, the performance rights will vest pro rata to actual achievement. Measurement of performance against the targets will be based on achieving the targets within the performance period.

		No. Performance Rights
TSR (\$)	At min	172,433
	At max	Up to 344,866
EPS (cents)	At min	172,433
	At max	Up to 344,866
Gearing (%)	Below 40%	172,435
Total		862,167

Other key provisions of the Plan

If a Key Management Personnel's (KMP) employment with the Company ceases for reasons other than death or permanent disability, any unvested Performance Rights will lapse and expire unless the Board of the Company considers it appropriate in the circumstances to consider the vesting of any unvested Performance Rights. Where a KMP has died or becomes permanently disabled the Board may determine that the Performance Rights will not lapse and will be tested against the vesting hurdles on the applicable vesting dates.

Upon a change of control occurring in respect of the Company, the following rules will apply to determine how Performance Rights should vest or lapse.

- Performance Rights that have met the vesting hurdle will vest on a date to be determined before the change of control date.
- Performance Rights which have met the vesting hurdle as a consequence of the change of control (for example a share price increment) will vest on a date to be determined before the change of control date.
- In respect of Performance Rights which have not yet met the vesting hurdle, the N&RC may (in its absolute discretion) determine that all or a portion of these Performance Rights will vest, notwithstanding that time restrictions or performance conditions applicable to the Performance Rights have not been satisfied.

A KMP can be considered to be a "Good Leaver" subject to agreement with the N&RC. Good Leaver conditions are generally very specific to the individual and the individual's personal circumstances but will normally require appropriate notice periods to allow the orderly transfer of responsibilities from the incumbent to his or her replacement. Any Performance Rights awarded to a Good Leaver will be "pro-rated" based on the number of months of completed employment in the performance period divided by the relevant performance period. Awards will then be tested at the relevant vesting date (or the date relevant to the performance hurdle) and the pro-rated number of Performance Rights will vest on the vesting date.

At present, Mr Pemberton is the only Director entitled to participate in the Plan. Shares acquired on vesting of Performance Rights may be delivered to participants through the issue of Shares or on-market acquisitions, at the discretion of the Board. The Performance Rights will not carry any voting rights and do not give the holder a right to participate in any entitlement issues (such as pro rata rights issues or a share purchase plan). The Performance Rights will not be eligible for any dividends. Any new Shares issued on the vesting of Performance Rights will be quoted on the ASX. Performance Rights will not be quoted on the ASX. Variations to the terms of the Performance Rights following their issue is subject to the Plan and the ASX Listing Rules. No security interests (such as charges or mortgages) can be held against Performance Rights.

A copy of the Terms and Conditions of the NRW Holdings Limited Performance Rights Plan can be found on the NRW website (www.nrw.com.au).

Information for the purposes of ASX Listing Rule 10.15 regarding Resolution 4

The following information is disclosed in relation to Resolution 4 for the purpose of ASX Listing Rule 10.15:

- The Performance Rights will be granted to Mr Julian Pemberton (or his nominee).
- Mr Pemberton is covered by Listing Rule 10.14.1 because he is the Company's CEO & Managing Director.
- The maximum number of Performance Rights that will be granted to Mr Pemberton (or his nominee) if Shareholders approve Resolution 4 is 862,167. Each Performance Right entitles the holder, on vesting, to receive one fully paid ordinary share in the Company (subject to any permitted adjustment under the rules of the Plan).
- Details of Mr Pemberton's current total remuneration package are included above. Further details of Mr Pemberton's remuneration are set out in the 2022 Remuneration Report on pages 14 - 28 of the 2022 Annual Report.
- Mr Pemberton has been granted a total of 2,901,334 Performance Rights under the Plan at nil cost as each time they were granted to Mr Pemberton as part of his remuneration. To date, no Performance Rights have vested to Mr Pemberton under the Plan. If Resolution 4 is approved, that number will be increased by 862,167 Performance Rights.
- A summary of the material terms of the Performance Rights and the value that the Company attributes to the Performance Rights are set out on pages 8 - 10 above.
- The Performance Rights will be issued as soon as practicable after the date of the 2022 Annual General Meeting and in any event within 12 months of the date of the meeting.
- The Performance Rights are being granted to Mr Pemberton as part of his remuneration and therefore no amount is payable by Mr Pemberton for the grant of the Performance Rights. No amount is payable for any Shares allocated on the vesting of any Performance Rights.
- A copy of the Terms and Conditions of the NRW Holdings Limited Performance Rights Plan can be found on the NRW website (www.nrw.com.au).
- There is no loan proposed in relation to the grant of Performance Rights to Mr Pemberton.
- Details of any securities issued under the Plan will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after Resolution 4 is approved and who are not named in the Notice will not participate until approval is obtained under ASX Listing Rule 10.14.
- A voting exclusion for Resolution 4 is set out in the Notice.

Corporations Act – sections 200B and 200E

Part 2D.2 of the Corporations Act restricts the benefits that can be given to persons who hold a "managerial or executive office" (as defined in the Corporations Act) on cessation of their employment with the Company or any of its related bodies corporate. Under section 200B of the Corporations Act, a company may only give a person a "benefit" (as defined in the Corporations Act) in connection with them ceasing to hold a managerial or executive office if the benefit is approved by Shareholders under section 200E of the Corporation Act, or an exception applies.

Under the terms of the Plan, the Board has discretion to determine that a proportion of a participant's Performance Rights will not lapse on cessation of their employment with the Company. The exercise of this discretion by the Board may constitute a "benefit" for the purposes of section 200B of the Corporations Act. Accordingly, Resolution 4 also seeks approval for the purposes of sections 200B and 200E of the Corporations Act, for any "benefit" that may be provided to Mr Pemberton in connection with an exercise of discretion by the Board under the Plan.

The value of the termination benefits that the Board may give under the Plan cannot be determined in advance. This is because various matters will, or are likely to, affect the value depending on the circumstances existing at the time the employment ceases. For example, the value of a particular benefit will depend on the Share price at

the time of vesting and the number of rights that will vest. The following additional factors may also affect the value of the benefit:

- the performance against the various performance hurdles that apply to the rights;
- the part of the performance period that has elapsed at the time the employment ceases;
- the reasons for the cessation of employment;
- the number of Performance Rights held by Mr Pemberton at the time he ceases employment; and
- the number of Performance Rights that lapse on cessation of employment.
