

ASX ANNOUNCEMENT

30 July 2021

## FOURTH QUARTER ACTIVITIES REPORT

Cassius Mining Limited (“**Cassius**” or “the **Company**”) (ASX Code: **CMD**), is pleased to provide shareholders with the Company’s Activities Review for the quarter ending 30 June 2021.

### SOALARA LIMESTONE PROJECT, MADAGASCAR – *Operations Update*

- ✓ The Company continues to evaluate contractor re-scheduling of the first stage of its resource estimation programme due to ongoing Covid restrictions in Madagascar and contractor availability.
- ✓ The Company is now in process of securing the necessary permits from the relevant government departments to be in a position to conduct the programme soonest after restrictions are sufficiently eased.
- ✓ Staged funding for the programme is now in place (refer ASX, 26 May 2021).
- ✓ Madagascar continues in a nationwide Health State of Emergency. International and domestic aviation remain suspended. Many regions remain in lockdown.
- ✓ The health and safety of the Company’s personnel and its contractors is of paramount importance.

### GBANE GOLD PROJECT, GHANA – *Litigation Update*

The Company has elected to commence proceedings against the Government of Ghana (Ghana) by referring the dispute to arbitration under the United Nations Commission on International Trade Law (**UNCITRAL**) arbitration rules, and for that purpose, to the London Court of International Arbitration (**LCIA**) institution as appointing authority and administrator. Ghana was advised of the foregoing by letter from the company’s solicitors on 24 May 2021.

The company is still in discussions with funders as to the terms of a final binding Funding agreement.

## CORPORATE

- ✓ The Company announced a placement of 28,333,333 shares at \$0.015 to raise \$425,000. 18,333,333 of these shares were issued during the quarter raising \$275,000. The other 10,000,000 shares will be issued to Directors following shareholder approval via a near future EGM.
- ✓ The Company paid non-executive director fees and statutory superannuation of \$6,570 for the quarter.
- ✓ Mr A Karam resigned as a director on 30 June 2021.

## OTHER OPPORTUNITIES

The Company continues to review opportunities to expand its portfolio where a significant benefit can be identified for its shareholders, with a preference for within Australia.

This is authorised for release to the ASX by the Board.

## Disclaimer

This ASX announcement has been prepared by Cassius. It should not be considered as an offer to subscribe for or purchase any securities in the company or as an inducement to make an offer or invitation with respect to those securities. No agreement to subscribe for securities in the company will be entered into on the basis of this announcement.

This announcement contains summary information about Cassius, its subsidiaries and their activities which is current as at the date of the announcement. The information in this announcement is of a general nature and does not purport to be complete nor does it contain all the information which a prospective investor may require in evaluating a possible investment in Cassius.

By its very nature exploration for minerals is a high-risk business and is not suitable for certain investors. Cassius securities are speculative. Potential investors should consult their stockbroker or financial advisor. There are a number of risks, both specific to Cassius and of a general nature which may affect the future operating and financial performance of Cassius and the value of an investment in Cassius including but not limited to economic conditions, stock market fluctuations, gold price movements, regional infrastructure, constraints, timing of approvals from relevant authorities, regulatory risks, operational risks and reliance on key personnel and foreign currency fluctuations.

Certain statements contained within this announcement, including information as to the future financial or operating performance of Cassius, are forward looking statements that:

- May include, among other things, statement regarding targets, estimates and assumptions in respect of mineral reserves and mineral resources, and anticipated grades and recovery rates, production, prices, recovery costs, results capital expenditure, and are or may be based on assumptions and estimates related to future technical, economic, market, political, social and other conditions;
- Are necessarily based upon a number of estimates and assumptions that, while considered reasonable by Cassius, are inherently subject to significant technical, business, economic, competitive, political and social uncertainties and contingencies; and,
- Involve unknown and known risk and uncertainties that could cause actual events or results to differ materially from estimated or anticipated events or results reflected in such forward looking statements.

Cassius disclaims any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or results or otherwise. The words "believe", "expect", "anticipate", "indicate", "contemplate", "target", "plan", "intends", "continue", "budget", "estimate", "may", "will", "schedule", and similar expressions identify forward looking statements.

All forward looking statements made in this announcement are qualified by the foregoing cautionary statements. Investors are cautioned that forward looking statements are not guarantees of future performance and accordingly investors are cautioned not to put undue reliance on forward looking statements due to inherent uncertainty therein.

No verification: Although all reasonable care has been undertaken to ensure that the facts and opinions given in this Announcement are accurate, the information provided in the Announcement has not been independently verified.

Answer: Not applicable	
3. Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?	
Answer: Not applicable	

**Compliance statement**

- 1 This statement has been prepared in accordance with accounting standards and policies which comply with Listing Rule 19.11A.
- 2 This statement gives a true and fair view of the matters disclosed.

Date: 30 July 2021

Authorised by: Wayne Kernaghan – Director Cassius Mining Limited  
(Name of body or officer authorising release – see note 4)

**Notes**

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 6: Exploration for and Evaluation of Mineral Resources* and *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standards apply to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
