## Background Information

The novel coronavirus disease (COVID-19) has spread to about 220 countries and territories with more than 141.7 million cases; and claimed the lives of over 3.025 million people globally according to WHO. In Africa, over 4.4 million cases have been reported in all countries, with about 118,000 deaths. There are also over 3.9 million recoveries in Africa.

Africa CDC continue to work with Member States to ensure an effective response to the outbreak by Member States, including maintaining key public health measures which have helped to minimize the rate of infections and deaths in Africa compare to other regions.

Dr Nkengasong will focus on the latest developments surrounding COVID-19 vaccines and the progress of vaccination rollout in AU member states. This week's briefing will also highlight Africa CDC support to member states in response to the pandemic and provide regular updates on the general COVID-19 situation across the continent.

The briefing remains available in 2 AU working languages (English and French) through interpretation. Below are basic things to consider during the briefing.

- Journalists will be allowed to ask questions directly online. If you have a question send your name and the name of the media organization you represent to WhatsApp # (+251 945 502 310), the following emails ([GwehN@africa-union.org](mailto:GwehN@africa-union.org), [molalett@africa-union.org](mailto:molalett@africa-union.org)) and they will be taken by the moderator.
- Colleagues who cannot ask questions directly online should send their questions to the same number or use the Q&A section of the zoom platform.

***Journalists are invited to connect and attend the press briefing on Thursday, 22 April 2021, at 11.00 a.m. East Africa Time.***
