

STOP CRIMINALS

FROM CASHING IN AT THE ATM

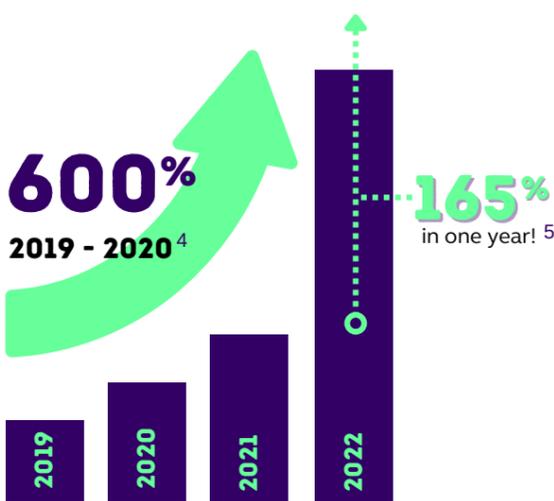

THERE ARE AN ESTIMATED
451,000
ATMS IN THE UNITED STATES¹

10 BILLION
TRANSACTIONS PER YEAR²

\$20-50K
CONTAINED IN EACH ATM³

But with cash, comes crime.

ATM CRIME

CARD SKIMMING
109% increase from 2022 to 2023⁷

HOOK + CHAIN
Even in a failed "hook & chain" attack, resulting damages to property, the building structure and repair fees can reach \$45,000.⁸

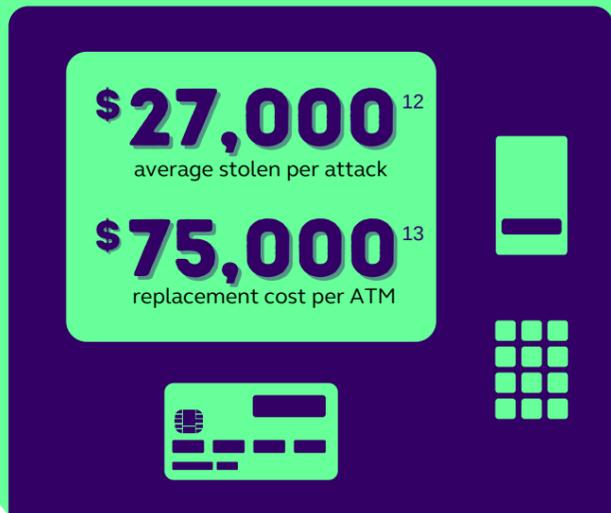

PHYSICAL THEFT
10% increase from 2022 to 2023⁹

An attack takes only **5-6 MIN**¹¹

138 ATM CRIMES¹⁰
committed in 2022 across
22 STATES¹¹

IT'S EXPENSIVE!

A MULTI-LAYERED APPROACH TO PROTECTING ATMS

DETECT

Install alarms + video technologies to detect criminals and alert law enforcement.

DETER

Let criminals know they are being monitored, deterring unwanted behavior.

DENY

Make thefts take longer by using bollards, cross bars, and ATM security gates.

DETAIN

Last line of defense - GPS tracking to lead law enforcement to the criminals.

3SI ATM Tracker™ & Cassette Tracker™

Powerful tracking devices that, together, protect machines and their cash against physical attacks.

Seamless to ATM operation, service and replenishment

Protects cassettes when inside or outside of ATM

Mitigate false alarms or accidental activations

Adaptable to many types of cassettes

Installation, maintenance and support
