4. Supporting documentation such as forms and previous correspondence*
No previous correspondence on this, First request

5. Identify a problem and the reason for the appeal*

The reason for the appeal is we are a relative new business and we did not understand this 499 form document and that we were required to file it every year. After meeting with support people at USAC, we now understand the process. We are in the process of filling the 499 now and will do so going forward. Due to these unusual circumstances, we would like to request to have the late fees removed.

6. Explain precisely the relief sought through this appeal, including dollar amount, if appropriate

The late fees total to \$400.00 dollars.

Thank you,

Tony Farley
