## O P I N I O N     A N D     F I N D I N G S

On November 28, 2023, the Nebraska Universal Service Fund ("NUSF") Department of the Nebraska Public Service Commission ("the Department") filed a Complaint against Comtech 21, LLC (hereinafter "Respondent"), seeking to fine Respondent on the grounds that it failed to file required remittance worksheets and/or remittance payments as required by Nebraska statutes and regulations. See Neb. Rev. Stat. §§ 86-316 - 329 and 291 Neb. Admin. Code, Chapter 10. The Complaint alleged that Respondent did not timely file its remittance worksheets for the remittance period consisting of 3rd Quarter 2023.

Since the Complaint in this matter was entered, the Respondent has entered into a stipulated agreement with the Department resolving the allegations contained in the Complaint. Pursuant to this agreement, Respondent has paid an administrative fine to the Department and has agreed to timely file its remittance payments and worksheets henceforth. Also pursuant to the agreement, the Department and Respondent have jointly requested the Commission to enter an order in this docket dismissing the Complaint and releasing Respondent from further compliance obligations regarding the NUSF remittance payments and worksheets for the remittance period consisting of 3rd Quarter 2023.

Upon review of the facts of this case, the stipulated agreement, and applicable laws and regulations, the Commission finds that the stipulation in this matter is reasonable and in accordance with Commission policy and that the Complaint in this matter should be dismissed.
