

## SGX-ST Announcement

### **S\$60 MILLION TERM LOAN FACILITY AND RULE 704(31) DISCLOSURE**

YTL Starhill Global REIT Management Limited as manager of Starhill Global Real Estate Investment Trust ("**Starhill Global REIT**", and the manager of Starhill Global REIT, the "**Manager**") is pleased to announce that HSBC Institutional Trust Services (Singapore) Limited (in its capacity as trustee of Starhill Global REIT) (the "**Starhill Global REIT Trustee**") has today entered into a facility agreement (the "**Facility Agreement**") with Bank of China Limited (acting through its Singapore branch) ("**BOC**") for a five and a half year unsecured term loan facility of S\$60 million (the "**Facility**"). The Facility will be used to refinance in part its existing outstanding term loan of S\$115 million ahead of its maturity in September 2022 (the "**Refinancing**") and/or for general corporate funding purposes of Starhill Global REIT. The above utilisation of the Facility is expected to take place in the first quarter of 2022. Following the Refinancing, the above transaction is not expected to have a material impact on the gearing of Starhill Global REIT.

#### **Rule 704(31) Disclosure**

Pursuant to Rule 704(31) of the Listing Manual of the Singapore Exchange Securities Trading Limited, the Manager wishes to announce that under the terms of the Facility Agreement, BOC has the right to require the Starhill Global REIT Trustee to repay all amounts owing under the Facility Agreement in the event (each, a "**Change of Control Event**") that:

- (a) the Manager or any of its Affiliates (as defined in the Facility Agreement) ceases to be the manager of Starhill Global REIT and a replacement manager reasonably acceptable to BOC is not appointed on or prior to the date of such cessation; or
- (b) YTL Corporation Berhad (or such other entity as may be acceptable to BOC) ceases at any time to own (directly and/or indirectly) at least 51% of the issued share capital of the manager of Starhill Global REIT.

YTL Corporation Berhad currently owns indirectly all the issued share capital of the Manager and a Change of Control Event has not occurred.

Assuming that a Change of Control Event occurs when the full amount of Starhill Global REIT's committed revolving credit facilities has been drawn and the Refinancing has occurred, the aggregate level of facilities that may be affected is approximately S\$1,522.8 million (excluding interest) as at the date of this announcement.
