

ANNOUNCEMENT

The Central Bank of Armenia is launching discussions on the implementation of RFIDs in monetary value accounting and movement processes. The specialized companies in the mentioned sphere, who are interested in participating in the discussions and presenting solutions, can send their applications **to the following address:**

khachik.khachatryan@cba.am, anna.khachatryan@cba.am

This invitation can not be considered as a public offer to sign a contract or any process of selecting a supplier. It aims to discuss the scope of possible cooperation and is informative in nature.
