

CENTRAL BANK OF SEYCHELLES

Request for Information (RFI) for the Supply and Implementation of the Central Bank Core Banking System (CBCBS)

In line with its Procurement Policy, the Central Bank of Seychelles (CBS) has issued a Request for Information (RFI) for the supply and implementation of a Core Banking System and is inviting interested Vendors/Firms/Companies to submit their responses in terms of their interest, experience and capabilities as per the details provided in the document.

The RFI, which is available on the CBS website is intended to be used to assist the Bank in pre-selecting a list of suitable Vendors/Firms/Companies that may be invited to participate in a Request for Proposal (RFP) stage in 2022. The issuance of the RFI does not imply an offer by CBS or a firm commitment for issuance of an RFP or a contract for services in the future.

Interested Vendors/Firms/Companies are requested to download a copy of the RFI document via the following link: <https://www.cbs.sc/Procurement/TenderNotices.html>
