Trinidad and Tobago renews call for continued engagement of IMF with Haiti and review of IMF lending for the Caribbean

On the occasion of the Spring Meetings of the International Monetary Fund in Washington, DC, USA, the Trinidad and Tobago delegation urged other members of its IMF Constituency to continue to advocate for strong IMF engagement with Haiti as the country grapples with a difficult security, humanitarian and economic situation. [Read here](#) for the full text of Dr. Hilaire's intervention at the April 17, 2024 meeting.
