Notice to the Market

Light S.A. ("Light" or "Company") (B3: LIGT3; ADR I: LGSXY) informs its shareholders and the market in general that its subsidiary Light Serviços de Eletricidade S.A. acquired energy at the New Energy Auction A-4 (LEN A-4/2022), held by the Brazil's Board of Commercialization of Electric Energy (CCEE). Were contracted 77.8 MW average, at the average price of R\$258.16/MWh, starting supply in January 2026 and effective for up to 20 years.

Only energy from renewable energy sources, such as hydroelectric plants, wind, solar and thermal plants that use biomass as fuel was negotiated.

The lower cost of energy acquisition will benefit consumers with lower tariffs in the future, contributes to the plans of loss combat and delinquency reduction, as well as decreasing the pressure on the Company's cash flow.
