Publicly Held Company

MATERIAL FACT

Positivo Tecnologia S.A. ("Company") (B3: POSI3), informs its shareholders and the market in general that, according to official news published on the website of the TSE – Superior Electoral Court ("TSE") on this date, the Company was confirmed as the only company qualified in the new TSE bidding process (Tender No. 3/2021) for the supply of up to 176,000 (one hundred and seventy-six thousand) new electronic ballot boxes (UE2022), as well as other products and services provided for in the notice. This tender comprises two more stages, which consist of the evaluation of **(i)** the technical proposal and the engineering model of the electronic ballot boxes (ME-UE2022) and, after the decision on the technical qualification by the TSE; a **(ii)** price proposal presented by the Company.

Finally, we emphasize that, as in any bidding process, the Company will need to pass and comply with all the rules stipulated in the notice to avoid disqualification and the result will be declared only after fulfilling all the requirements and steps provided for in the notice, by which we will keep our shareholders and market updated on the final decision of this bid.

Curitiba, October 19, 2021.
