About RNI

Established in São José do Rio Preto in 1991, with the mission of developing real estate projects of quality all over Brazil, the builder and developer RNI will celebrate its 30th year of experience in the sector, transforming and developing the areas where it is active. Combined with a national expansion strategy, the company has since its beginning 199 projects launched and counting all over Brazil and present in 59 cities from 12 Brazilian states. Publicly traded since 2007, it launched more than 74 thousand units, totaling 7 million m² built and its part of the **Empresas Rodobens**, one of the largest business groups of the country, operating in the financial and automotive retail segments - Bank, Consortium, Insurance Broker, Leasing & Leasing, Automobiles, and Commercial Vehicles. RNI participates in the government program Casa Verde Amarela (formerly Minha Casa Minha Vida), with its ventures in the segment 3. With national operations, the group has a tradition of more than 70 years. www.rni.com.br.
