a) The Transporter shall faithfully comply with the provisions of the Factories Act 1948, ESI Act 1948, the Contract Labour (Regulation and Abolition) ACT -1970, the Workmen's Compensation Act 1923, Employees Provident Fund Act 1952 and any other law for the time being in force and applicable to contract workmen for the staff/workmen engaged for co-ordination work by them for the entire contract period before commencement of work. The Transporter shall fully indemnify the Company for any loss or damage or any liability incurred by the Company due to any default or non observance by the transporter of any of the provisions of the above mentioned enactment.

b) TNPL is not liable for any injury or accident which may be caused to the operating crew or work men within the factory premises. It is therefore the responsibility of the Transporter to insure his truck crew and workmen working at the TNPL factory adequately and Insurance Policy is to be produced to TNPL before commencing the work. ROAD SAFETY POLICY (un-named) should be taken by the successful transporter before commencement of work. This policy provides coverage for death due to any accident to the transporters' crew/or loading men inside the premises upto Rs.1,00,000/- and additionally Rs.1,00,000/- towards Medical expenses for treatment of injury due to accident inside the mill premises. This is in addition to workmen compensation policy, which is currently being arranged by the transporter.

41. TNPL not responsible for transporter's Employees:

The transporter may employ such employees as he may think fit, and the employees so employed shall be the employees of the transporter, for all purposes, whatsoever, and shall not be deemed to be in the employment of TNPL for any purpose, whatsoever. The transporter should abide by all rules and regulations that may be enforced from time to time regarding the employment or working conditions of the employee.

42. If under any circumstances whatsoever, TNPL is held liable or responsible in any manner, whatsoever for the default at omission on the part of the transporter in respect of any manner whatsoever, TNPL shall be reimbursed by the contractor for the same as also any other expenses or cost incurred by TNPL in any proceedings or litigation as a result of any claim, demand or act on the part of the employees of the transporter TNPL shall be entitled to claim damages or compensation from the transporter in that event.

43. The transporter is responsible to transport the material in sound condition and deliver to TNPL without any loss or damage. If any loss or damage occurs in transit, the transporter shall inform TNPL immediately within 12 hours from despatch of material from Karaikal / Cochin / Tuticorin Port failing which TNPL reserves the right to make good the loss of material from the transporter and if need be resort to legal action depending on the merit of the case.

44. TNPL reserves the right to engage any Additional Transporter in case the transporter fails to mobilise sufficient number of trucks and move the material as per our requirement. In such an event any additional expenditure that may be incurred will be recovered from the transporter.

45. In case of any failure on your part, TNPL reserves the right to transport the materials by Railway Wagons and the any additional expenditure that may be incurred will be recovered from the transporter.

46. In case the transporter transports the material in diverted route due to diversion imposed by government authorities, Civil commotions / disobedience, strike, road roko, accident and other unexpected reasons/incidents, traffic jam etc. or any reasons like, no compensation for extra kilo metres will be paid to the transporter.

47. Any damages or losses that may be suffered or incurred by TNPL on account of non-fulfillment of any or all of your obligations under the purchase order shall be realized from you in full without prejudice to our other rights/remedies. TNPL decision in respect of the nature as well as quantum of such damages, losses, charges, costs or expenses shall be final and binding on you.

48. TNPL is not liable for any injury or accident which may cause to the operating crew and unloading labourers within the premises of TNPL Unit-1 & Unit-2.

- Internet connectivity with at least 2 Mbps speed
- Internet browser: IE 9 and above (or) Mozilla Firefox 3.5 up to version 49
- Signing type: Digital Signature (class III)
- JRE 8.0 software to be downloaded and installed in the system.

To enable ALL active X controls and disable 'use pop up blocker' under Tools→Internet Options→ custom level (Please run IE settings once)

4.0 SEARCHING FOR TENDER DOCUMENT:

- There are various search options built in the Website, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc.
- Once the bidders have selected the tenders they are interested in, they may download the required documents/tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the Tamil Nadu Govt. e-Procurement Portal, to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

5.0 PREPARATION OF BIDS:

- Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- Bidders are requested to go through the NIT and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- Bidders, in advance, should get ready the bid documents to be submitted as indicated in the tender document and generally, they can be in PDF / XLS / RAR / DWF / JPG formats. Bid documents may be scanned with 100 dpi, which helps in reducing size of the scanned document. Since the uploaded documents shall be downloaded for evaluation of bid, bidders are advised to **upload clear scanned copies**.
- The completed bid comprising scanned copy of the proof for the payment of Tender fee, EMD and necessary technical and commercial documents should be uploaded on the website along with signed and scanned copies of requisite certificates are mentioned in the different sections in the tender document.

6.0 PROCEDURE FOR ELECTRONIC SUBMISSION OF BIDS:

The bidder shall submit online the requirements under qualification criteria and Technical Documents required and Price Schedule/BOQ. All the documents are required to be signed digitally by the bidder. After electronic online bid submission, the system generates a unique bid reference number which is time stamped. This shall be treated as acknowledgement of bid submission.

- 6.1 Bidder should log- in to the site well in advance for Bid submission so that they can upload the Bid in time i.e. on or before the Bid submission time. Bidder will be responsible for any delay due to other issues.
- 6.2 The Bidder has to digitally sign and upload the required Bid documents one by one as indicated in the Bid document.
- 6.3 Bidder has to select the payment option as “offline” to pay the tender fee and EMD as applicable and enter details of the instrument.**
- 6.4 Bidder should prepare and submit the Tender fee & EMD as per the instructions specified in the Bid document.
- 6.5 Bidders are requested to note that they should necessarily submit their price Bids in the format provided and no other format is acceptable. If the price Bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by the Bidder. Bidders are required to download the BOQ file, open it and complete the Blue colored (unprotected) cells with their respective financial quotes and other details (such as name of the Bidder etc). No other cells should be changed. Once the details have been completed, the Bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the Bidder, the Bid will be rejected
- 6.6 The server time (which is displayed on the Bidders’ dash board) will be considered as the standard time for referencing the deadlines for submission of the Bids by the Bidders, opening of Bids etc. The Bidders should follow this time during Bid submission.
- 6.7 All the documents being submitted by the Bidders would be encrypted to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of Bid opening. The confidentiality of the Bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any Bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/Bid openers public keys.
- 6.8 The uploaded Bid documents become readable only after the tender opening by the authorized Bid openers
- 6.9 Upon the successful and timely submission of Bid (i.e., after Clicking “Freeze Bid Submission” in the portal), the portal will give a successful Bid submission message & a Bid summary will be displayed with the Bid no. and the date & time of submission of the Bid with all other relevant details.
- 6.10 The Bid summary has to be printed and kept as an acknowledgement of the submission of the Bid.**
- 6.11 In all cases, Bidders should use their own ID and Password along with Digital Signature certificate at the time of submission of their Bid.

TENDER NO: 232413006888**[4]**

- 6.12 During the entire e-tender process, the Bidders will remain completely anonymous to one another and also to everybody else.
- 6.13 The e-tender floor shall remain open from the pre-announced date & time till the specified due date & time.
- 6.14 The electronic Bid submitted during the e-tender process shall be legally binding on the Bidder. Any Bid will be considered as valid only if it is submitted in the prescribed format given in the Bid document.
- 6.15 It is mandatory that all the Bids are submitted with digital signature certificate otherwise the same will not be accepted by the system.
- 6.16 TNPL reserves the right to cancel or reject or accept or withdraw or extend the due date for submission of Bid as the case may be without assigning any reason thereof.
- 6.17 The NIC server time shall be treated as final and binding. Bids recorded in the server before the Bid closing time will only be treated as valid Bid. Bidders are, therefore, advised to submit their Bids well before the closing time of e-tender. If any Bid reaches the server after the Bid closing time as per server time, the same will not be recorded and no complaint in this regard shall be entertained. TNPL is not responsible for any sort of delay or the difficulties faced during the submission of Bids online by the Bidders due to local issues.
- 6.18 Bidders are advised to exercise caution in submitting their Bids in e-tender and e-Reverse Auction, as the case may be, to avoid any mistake. Bids once submitted can't be recalled.
- 6.19 Any order resulting from this Bidding process shall be governed by the terms and conditions mentioned in the Bid Documents.
- 6.20 No deviation to the technical and commercial terms & conditions are acceptable.
- 6.21 Bidders are required to sign in each page of the Bid specification.**
- 6.22 TNPL may, at its discretion, extend the deadline for the submission of bids by amending the bidding document, in which case all rights and obligations of TNPL and bidders subject to the previous deadline shall thereafter be subject to the deadline extended.

7.0 LATE BID:

The Electronic bidding system would not allow any late submission of bids after due date and time, as per server time.

8.0 MODIFICATION AND WITHDRAWAL OF BIDS:

- 8.1 Bidders may modify their bids online before the deadline for submission of bids.
- 8.2 In case a bidder intends to modify his bid online before the deadline, the bidder need not make any additional payment towards the cost of bid processing. For bid modification and consequential re-submission, the bidder is not required to withdraw his bid submitted earlier. Modification and consequential re-submission of bids is allowed any number of times. **The last modified bid submitted by the bidder within the bid submission time shall be considered as the bid.** For this purpose, modification/withdrawal by other means will not be accepted. The bidder may withdraw his bid by uploading his request before the deadline for submission of bids, however, if the bid is withdrawn, the re-submission of the bid is not allowed.
- 8.3 No bid may be modified after the deadline for submission of Bids.

9.0 ASSISTANCE TO BIDDERS:

- 9.1 Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person / email ID indicated in the Notice inviting tender.
- 9.2 Any queries relating to the process of online bid submission or queries in general may be directed to the 24x7 Central Public Procurement Portal Helpdesk.

It may be noted by the bidders that NIC is only a service provider for conducting the online bidding process against this tender and shall not be a party to any contract between TNPL and the successful bidder(s) subsequent to the bidding process.

10.0 SUBMISSION OF HARD COPIES OF DOCUMENTS, IF REQUIRED

The Bidders needs to submit all the documents through online submission. However, the required documents should be submitted in Hard copies after online submission, if demanded from TNPL.

11.0 E – TENDER AND E- REVERSE AUCTION

- 11.1 In e-tender, price Bids received from Technically Qualified Bidders only will be opened, electronically. The Lowest price obtained in the price bid (or) the rate proposed by TNPL will be fixed as opening price for reverse auction (e-auction). Technically Qualified Bidders only will be allowed to participate in the E- Reverse auction process.
- 11.2 After opening of the Price Bid, the Bidders who shall become eligible to participate in the Reverse Auction as per the conditions stated in this Document, known as the Qualified Bidders, will be intimated about their qualification through notification on the <https://tntenders.gov.in/nicgep/app> website within their secured login as well as a system generated email. It shall be the sole responsibility of the Bidder to regularly check the <https://tntenders.gov.in/nicgep/app> website and log in to see whether they have qualified or not. TNPL will not be responsible for non-receipt of email by the Bidder and its consequences.
- 11.3 E-Bidding is the process of inviting final price offers from the Qualified Bidders through internet for the purpose of determination of the lowest Bidder (i.e the Bidder who submits the lowest price Bid in the Reverse Auction).
- 11.4 The Qualified Bidder will remain anonymous to other Qualified Bidders participating in the electronic Bidding process. The Qualified Bidder will be able to see the prevailing lowest price Bid, but the name of the current L1 Bidder at any point of time will not be displayed. The Qualified Bidder shall have to put his price Bid below the displayed current L1 Bid by decrement as specified in above point, to become the L1 Bidder. The lowest price obtained after completion of the Reverse Auction Process, shall be the Closing Price and the bidder quoting the same will be considered as the L1 bidder.
- 11.5 The electronic Bidding process for E-reverse auction will have a scheduled start and close time which will be displayed on screen. A Qualified Bidder will be able to put his price Bid after the start of Bid time and till the close time of electronic Bidding. The current server time (IST) will also be displayed on the screen. In the event a Bid is received during the last 5 (five) minutes before the scheduled close time of electronic Bidding the close time of electronic Bidding will be automatically extended by 10 (ten) minutes from the last received Bid time to give equal opportunity to all other Qualified Bidders. This process of auto extension will continue till there is a period of 10 (ten) minutes during which no price Bids are received.

TENDER NO: 232413006888**[6]**

11.6 During the tender process for electronic Bidding the Bidder shall be required to sign their Bids with their respective digital signature certificate (DSC) which has been used to login. Any digital signature certificate other than the above shall not be acceptable for Bid submission by the system.

11.7 Bidders in their own interest are advised to get themselves acquainted with the electronic Reverse Auction process of (<https://tntenders.gov.in/nicgep/app>) by getting their Authorized Representative trained through demo electronic – Reverse Auction schedule at the link <https://demoetenders.tn.nic.in/nicgep/app>.

11.8 Ensure login in NIC portal with correct Digital Signature Certificate (DSC) before the auction start time. Ensure system compatibility for hassle free login / participate in the bidding.

11.9 Please refresh the auction screen for every 20 minutes to avoid “ SESSION OUT ”error (or) you have to login again for participation.

11.10 In case of any issues during auction time, screenshot is mandatory to take appropriate action, if required.

11 ABOUT DIGITAL SIGNATURE CERTIFICATE:

12.1 A Bidder shall be required to possess a valid Digital Signature Certificate (DSC) of signing type to be able to submit its Bid and to participate in the electronic Reverse Auction on <https://tntenders.gov.in/nicgep/app> website. For this purpose, Bidders shall be required to authorize its Authorized Signatory to procure a Class III DSC of signing type from any Certifying Authority or their authorized agencies in India.

12.2 The Bidder may note that only one user id will be mapped with a given DSC for the Authorized Representative. DSC once mapped with a particular user id of a Bidder will normally not be changed and therefore Bidders are advised to carefully select the DSC before forwarding the same to NIC for mapping.

12.3 The Digital Signature Certificate will be used to digitally sign the Bids that the Bidder will submit online.

12.4 It will be the sole responsibility of the Bidder and its respective Authorized Representative to maintain the secrecy of the password for the Digital Signature Certificate. The Bidder and its contact person shall be solely responsible for any misuse of the DSC and no complain / representation in this regard shall be entertained at any stage by TNPL

12 TERMS AND CONDITIONS FOR E-REVERSE AUCTION:

13.1 After completion of the online E-Reverse Auction, the lowest price shall be available for further processing.

13.2 If no Bid or single Bid is received in the Bidding system/website within the specified time duration of the online E-Reverse Auction then TNPL may scrap the online Reverse Auction process and may proceed with the lowest Price Bid received through e-tendering for further processing.

13.3 Only those Bidders whose offers are found to be technically and commercially Responsive, shall be eligible to participate in E-Reverse Auction process.

13.4 Online Reverse Auction shall be conducted by TNPL on a pre-specified date and time, while the Bidders shall be quoting from their own offices/place of their choice. Internet connectivity shall have to be ensured by Bidders themselves.

- 13.5** To ward-off contingent situation, Bidders are requested to make all the necessary arrangements/alternatives whatever required so that they are able to circumvent such situation and still be able to participate in the Reverse Auction successfully. Failure of power or loss of connectivity at the premises of Bidders during the Reverse Auction cannot be the cause for not participating in the Reverse Auction. TNPL shall not be responsible for such eventualities.
- 13.6 Bidders are advised to get fully trained and clear all their doubts such as refreshing of Screen, tender value being Bid, Bidding rules etc.
- 13.7 Upon receipt of the system report after completion of the Online Reverse Auction Closing Price will be considered for further processing. TNPL's decision on award of contract shall be final and binding on all the Bidders.
- 13.8 TNPL reserves the right to cancel/reschedule/extend the Reverse Auction process/tender at any time, before ordering, without assigning any reason.
- 13.9 TNPL shall not have any liability to Bidders for any interruption or delay in access to the site irrespective of the cause. In such cases, the decision of TNPL shall be binding on the Bidders.
- 13.10 Other terms and conditions shall be as per TNPL's Bidding documents and other correspondences, if any, till date.
- 13.11 Bidders are required to submit their acceptance to the stipulated terms and conditions before participating in the Reverse Auction
- 13.12 For the Reverse Auction technically and commercially acceptable Bidders only shall be eligible to participate.
- 13.13 Bidders shall ensure online submission of their 'Bid Price' within the Bidding Period.
- 13.14 Rules for Reverse Auction like event date, time, Bid decrement, extension etc. shall be as per the business rules, enumerated above, for compliance.
- 13.15 If the Bidder or any of his representatives are found to be involved in Price manipulation/ cartel formation of any kind, directly or indirectly by communicating with other Bidders, action as per extant TNPL guidelines, shall be initiated by TNPL.
- 13.16 The Bidder shall not divulge either his Bids or any other exclusive details of TNPL to any other Bidder.
- 13.17 Period of validity of Prices received through Reverse Auction shall be same as that of the period of validity of Bids offered.
- 13.18 Bidders may note that, although extension time is 10 minutes, there is a time lag between the actual placing the Bid on the local computer of the Bidder and the refreshing of the data on to the server for the visibility to the TNPL. Considering the processing time for data exchange and the possible network congestion, Bidders must avoid the last minute hosting of the Price Bid.
- 13.19 Participating Bidder will agree to non-disclosure of trade information regarding the purchase, identity of TNPL, Bid process, Bid technology, Bid documentation and Bid details.
- 13.20 It is brought to the attention of the Bidders that the Bid event will lead to the closing price only.
- 13.21 Technical and other non-commercial queries (not impacting price) can only be routed to the TNPL contact personnel indicated in the Bidding documents.

TENDER NO: 232413006888**[8]**
