Re:

**AB 314 (Sub-No. 9X)**  
**Chicago Central & Pacific Railroad Company –**  
**Abandonment Exemption – In Black Hawk County, Iowa**  
***Abandonment Consummation***

Dear Ms. Brown:

By notice of exemption served in the above-referenced proceeding on June 24, 2022, Chicago Central and Pacific (“CCP”) secured authorization, pending removal of a Section 106 Condition, to abandon an approximately 0.08 mile segment of rail line, totaling near 419 feet, situated from approximately 100 feet east of the CCP crossing with 11th Street at the location of the point of switch turnout through and including 51 feet of track in the 11th Street crossing and continuing west to the end of the Line approximately 268 feet, in Waterloo, Black Hawk County, Iowa (“the Line”). On November 7, 2022, after receiving recommendation from the Office of Environmental Analysis for removal of the Section 106 Condition, the Board removed the Section 106 Condition. Consequently, there are no legal or regulatory barriers to abandonment consummation.

By this letter filing, CCP has consummated its abandonment of the subject Line in accordance with 49 C.F.R. § 1152.29(e)(2).

If you have any questions regarding this filing, please contact the undersigned.
