**Springfield Fire Department: Traffic Advisory for 11th and Phillips Area**

**Springfield, IL**—The Springfield Fire Department is responding to an active structure fire at **11th Street and Phillips Avenue**. Fire crews are on the scene working to contain the blaze and ensure public safety.

To facilitate emergency response operations and protect the safety of the community, the department is requesting all automobile traffic to avoid the area until further notice. Motorists are encouraged to use alternate routes to prevent congestion and allow first responders to perform their duties without interruption.

We thank the public for their cooperation and understanding during this time. Updates will be provided as more information becomes available.
