Full Closure of Frontage Road between NW 98 Avenue and Hialeah Gardens Boulevard

September 23, 2022, to September 26, 2022

MIAMI, Fla. – Starting Friday, September 23, 2022, at 9 p.m., a full closure of the Frontage Road between NW 98 Avenue and Hialeah Gardens Boulevard will take place. This closure will be implemented until 5:30 a.m. on Monday, September 26, 2022. During this time, the construction crew will work on the installation of the 102” drainage pipe crossing the Frontage Road. The following detours will be implemented:

1. Motorists heading north/westbound on Frontage Road who wish to continue on to Frontage Road at the Hialeah Gardens Boulevard intersection, will be detoured to turn right on to Hialeah Gardens Boulevard, turn left onto NW 122 Street, left on to NW 98 Avenue and proceed on to Frontage Road.
2. Motorists heading south/eastbound on Frontage Road who wish to continue on to Frontage Road at the Hialeah Gardens Boulevard intersection, will be detoured to turn left on to NW 98 Avenue, turn right on to NW 122 Avenue and turn right on to Hialeah Gardens Boulevard and turn left to continue on to Frontage Road.
3. Motorists heading northbound on Hialeah Gardens Boulevard who wish to access Frontage Road will be detoured to turn left onto NW 122 Street, left on to NW 98 Avenue and proceed on to Frontage Road.
4. Motorists heading southbound on Hialeah Gardens Boulevard who wish to access Frontage Road will be detoured turn right on to NW 122 Street, left on to NW 98 Avenue and proceed on to Frontage Road.

Local access will only be provided to motorists wishing to access Frontage Road between NW 98 Avenue and Hialeah Gardens Boulevard.

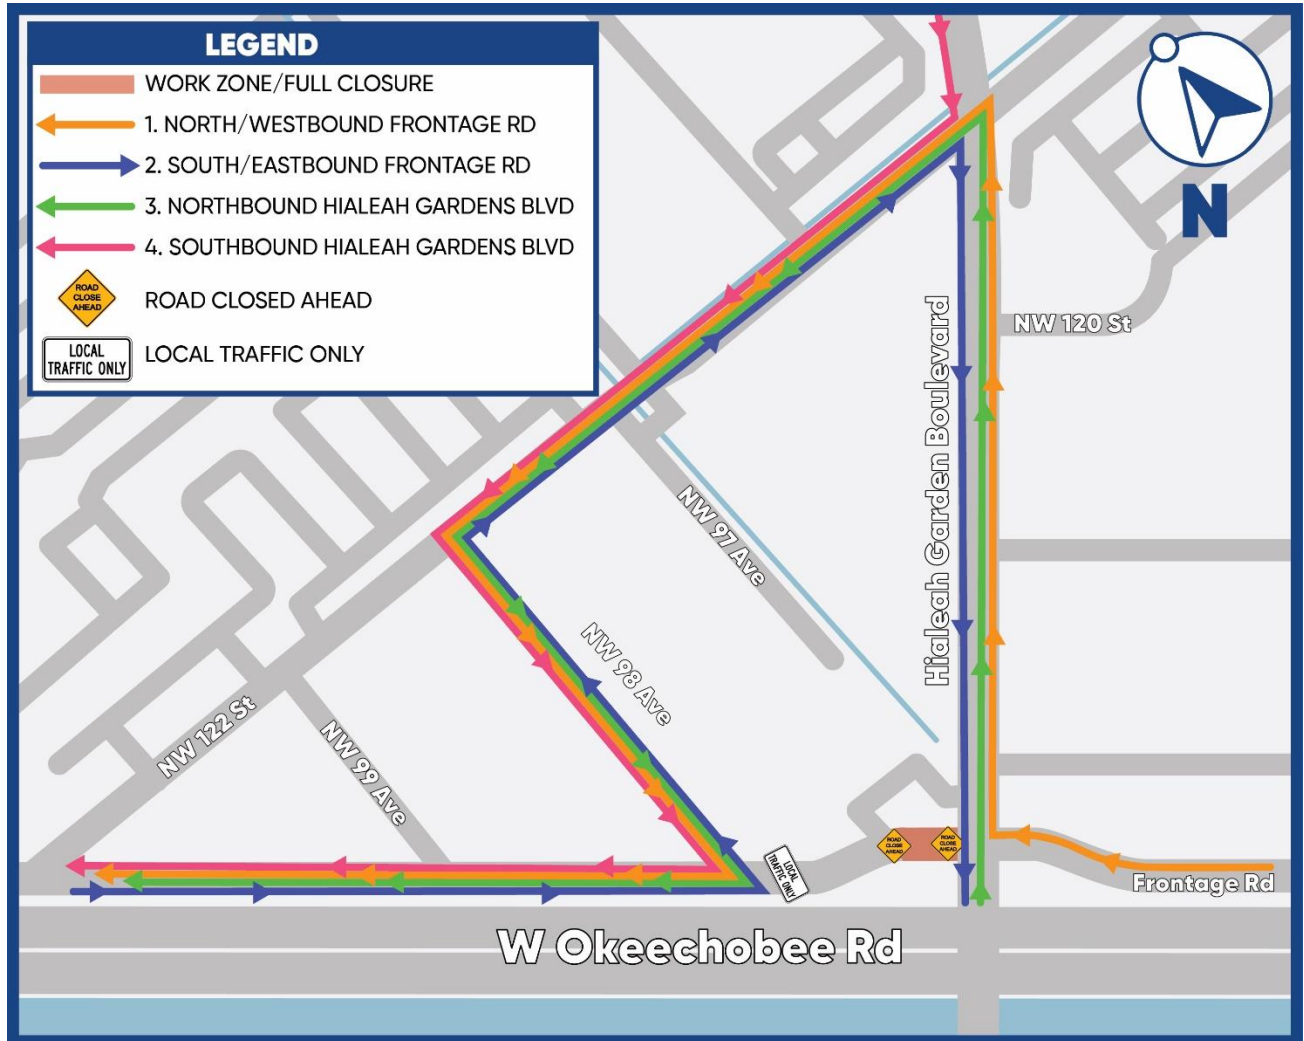

Please note that this schedule may change due to bad weather or other unforeseen conditions.

This project is part of the corridor wide reconstruction of the SR 25/US 27/Okeechobee Road from the Broward County Line to SR 826/Palmetto Expressway. This work will improve safety, enhance mobility along this Strategic Intermodal Systems (SIS) corridor,

and inspire innovative transportation solutions, connecting commuters throughout Miami-Dade County.

For more information about the project or closure, please contact Senior Community Outreach Specialist Maria Alzate at (305) 560-8218 or by email at Maria@iscprgroup.com. You can also visit the project website: www.fdotmiamidade.com/okeechobee.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
