New Jersey Civil Service Commission Releases New Video Detailing Civil Service Job Application Process in New Jersey

TRENTON, NJ – The New Jersey Civil Service Commission (CSC) has launched a new video designed to educate the public about the civil service job application process and job opportunities in the State of New Jersey.

In an aim to further encourage and attract the public to State employment, the Civil Service Commission has created a series of instructional and informative videos and tools that interested persons can reference when seeking information about CSC-related topics such as the [Exam Symbol Status Lookup tool](#), [How to apply for a New Jersey firefighter position](#), and this most recent [How to File an Application for a Civil Service Job](#).

“We understand that applying for State and local jobs requires a lot of time, effort, and attention to detail,” said Allison Chris Myers, Chair & Chief Executive Officer of the New Jersey Civil Service Commission. “Our new ‘How to File an Application’ video alleviates the guesswork from the application process. Hopefully, our new video can help ease the application experience by saving time and walking through the process step-by-step from start to finish.”

The video is available to view on the NJ Civil Service Commission landing page’s scrolling banner, located at the top of the page, <https://www.nj.gov/csc/>.

The video can also be viewed at the following link: <https://www.youtube.com/watch?v=7rO36Jvqh2c>
