3. INFORMATION ABOUT THE ISSUER

On page 143 of the Base Prospectus, the paragraph “*Share capital and major shareholders*” is deleted in its entirety and replaced as follows:

“**Share capital and major shareholders**

As at 31 December 2022, the share capital is equal to €180,478,270 divided into 36,095,654 fully paid-up shares with a par value of €5 each, broken down into two classes, “A” and “B”:

- 18,047,827 class “A” shares (“**A Shares**”) represent the Issuer’s ordinary voting shares of common stock held by the Caisses d’Epargne (the “**A Shareholders**”);
- 18,047,827 class “B” shares (“**B Shares**”) represent the Issuer’s ordinary voting shares of common stock held by the Banques Populaires (the “**B Shareholders**”);

The shares are in nominative form. They are registered in a register and shareholders’ accounts held by the Issuer or by an authorised intermediary.

The Issuer has issued no bonds that may be converted, exchanged or redeemed in the form of securities giving access to share capital, warrants or other securities. There are no shares granting multiple voting rights.

The 15 Caisses d’Epargne and the 14 Banques Populaires hold the share capital and the voting rights of BPCE equally.

The number of Banques Populaires and Caisses d’Epargne may evolve over time if certain of these entities decide to merge as has been the case in the past. Such mergers, to be carried out between consolidating entities or between a consolidating entity and its wholly-owned subsidiaries, should not have a material impact on the Groupe BPCE’s consolidated financial statements, subject to the specific terms of any such reorganization.”

On pages 145 to 146 of the Base Prospectus, the paragraph “*Financial Solidarity Mechanism*” is deleted in its entirety and replaced as follows:

“In accordance with the BPCE Law, BPCE established a financial solidarity mechanism to ensure the liquidity and solvency of the Banques Populaires and Caisses d’Epargne networks and of all entities in the Affiliated Group. The solidarity mechanism is a specific regime applicable to mutual banking groups, pursuant to which BPCE and each of the retail network banks is required to support the others (as well as each member of the Affiliated Group, in the case of BPCE) in case of temporary cash shortage (liquidity guarantee) or in order to prevent and/or cope with severe financial failings (solvency guarantee). Each retail network bank thus effectively acts as a guarantor of the obligations of BPCE and of the other retail network banks, and BPCE effectively acts as guarantor of the obligations of the retail network banks and the other entities in the Affiliated Group. The solidarity mechanism is internal to the group and does not constitute a guarantee that is enforceable by third parties, although French or European authorities may require the mechanism to be used if needed.

BPCE manages the Banque Populaire Network Fund and the Caisse d’Epargne Network Fund and has put in place the Mutual Guarantee Fund.

The Banque Populaire Network Fund was formed by a deposit made by the Banks (€450 million) that was booked by BPCE in the form of 10-year term account which is indefinitely renewable.

The Caisse d’Epargne Network Fund was formed by a deposit made by the Caisses (€450 million) that was booked by BPCE in the form of a 10-year term account which is indefinitely renewable.

The Mutual Guarantee Fund was formed by deposits made by the Banque Populaire banks and the Caisses d'Épargne. These deposits were booked by BPCE in the form of a 10-year term accounts which are indefinitely renewable. The amount of the deposits by network was €157 million at 31 December 2022.

At Groupe BPCE SA level, the total amount of immediately available funds under the Mutual Guarantee Funds was €1,545 billion at 31 December 2022. In addition, the total amount of regulatory capital that can be mobilised by the Banque Populaire and Caisses d'Épargne networks amounts to €69.7 billion of tier 1 capital at 31 December 2022.

The total amount of deposits made to BPCE in respect of the Banque Populaire Network Fund, the Caisse d'Épargne Network Fund and the Mutual Guarantee Fund may not be less than 0.15% and may not exceed 0.3% of the total risk-weighted assets of the Group.”
