Dear Ms. Dodge:

Public Act 465 of 1996 (MCL 41.72a) exempts townships with a taxable value under a threshold from the requirement of publishing in a newspaper the minutes of its board meetings. The threshold, \$50 million for 1997, is adjusted annually based on the increase in the Detroit CPI. The Michigan Department of Treasury is required to determine annually the adjusted amount.

Pursuant to P.A. 465, the Michigan Department of Treasury has determined that for 2024, the adjusted amount is \$110 million. This results from applying an 5.6% increase to the 2023 amount of \$104 million and rounding up the result to the nearest million. Please note this calculation provides an adjustment greater than inflation because of the rounding. The 27-year increase in the threshold is 120.0%, compared to the 27-year increase in the Detroit CPI of 85.0%.

Please contact me at DarraghS@michigan.gov if you have any questions.

Sincerely,

Scott B Darragh
