Notice regarding Update of Sustainability Page

December 13, 2024 – Gurunavi, Inc. announces that it has updated the Sustainability page of its corporate website.

Focusing on the food service market, Gurunavi endeavors to increase corporate value through the provision of value to society, based on the principle held by Gurunavi since its founding that corporate activity should itself be social contribution.

In addition, Gurunavi aims to continue to be a company that contributes to the realization of a sustainable and better society by continuing to provide new value to the world based on our purpose of “Food: Satisfying People and Creating Connections”, which in turn is based on the spirit of “Protecting and Nurturing Japanese Food Culture” that has been with us since our founding.

Please refer to the following website for details of our views and initiatives concerning sustainability.
