### 2. Reason for dividend

BEENOS considers returning profits to shareholders through dividends a key management priority. The Company strives to expand its business foundation, strengthen its financial base, and deliver long-term stable dividends that are not heavily influenced by business performance fluctuations.

With a primary focus on e-commerce-related businesses, the Company aims to provide shareholder returns through stable, long-term dividends aligned with the growth and profitability of its operations.

For the current fiscal year, after carefully evaluating consolidated performance, financial soundness, and the need for internal reserves to support future business development, the Company has decided to increase the annual dividend to 40 yen per share, an increase from the previous fiscal year.
