publication of the Sustainability Report of CIG Pannónia Group for the year 2023

CIG Pannónia Life Insurance Public Limited Company (registered office: 1097 Budapest Könyves Kálmán krt. 11, building „B”; company registration number: 01 10 045857; registration court: Registry Court of the Capital City Court) (**Company**) also highlighted in its consolidated annual report adopted on 19 April 2022 that, as a listed company, it has recognised and intends to build on the benefits of a regulated market presence at group level in the context of the rise of the ESG approach. Our Company and its consolidated subsidiary CIG Pannonia First Hungarian General Insurance Company Zrt (**EMABIT**) are moving towards transparency and the realisation of this objective. It manages the steps of progress under the ESG framework at project level in a consistent way, which, following the stand-alone report for the financial year 2022, will be reflected in annual sustainability report for 2023, covering the same period and the same content as the annual report, and in the presentation of long-term objectives.

Our Company hereby informs our Investors that we have prepared and, before the decisions of the Annual General Meeting, are publishing as an annex to this information the Group Sustainability Report for the year 2023, which builds on the data content of the report published in 2022 and now complies with the international GRI Standards, presenting the Company's key sustainability efforts and highlighting the focus of these sustainability efforts through a set of publicly available information.
