

Construction Activity Notice

We are continuing construction on the Red and Purple Modernization (RPM) Phase One project to rebuild 100 year old rail infrastructure and improve transit service. Work will be performed that will affect your community and create inconveniences. We are committed to doing our best to minimize the impact of our work and will continue to keep you updated throughout the project.

ALLEY ENTRANCE RELOCATION & DAILY SHORT-TERM STREET CLOSURES

Dates: Monday, September 23 to Saturday, November 9, 2024

Location:

- The alley east of 5001 - 5077 N. Broadway & 1135 W. Winona Street (W. Argyle Street to W. Winona Street)
- W. Winona Street at the CTA Tracks

Work Hours: 7am to 7pm

Work Activity: Crane Staging & Concrete Placement

Local Impact:

- A crane will be staged at the alley entrance on the south side of W. Winona Street on the west side of the CTA Tracks at all times.
- The alley entrance on the south side of W. Winona Street on the west side of the CTA Tracks will be temporarily relocated east to the CTA right-of-way to provide continued access to the alley at all times.
- During concrete placement, a short-term daily closure of W. Winona Street will take place between 7am and 5pm at the CTA Tracks with local traffic maintained outside the work zone.
- Approximately eleven (11) short-term daily street closures are anticipated during the listed date range.
- The sidewalk on the south side of the street within the work zone will be closed at all times.
- The sidewalk on the north side of W. Winona Street will remain open at all times.
- Access to the Argyle station entrance on W. Winona Street will be maintained at all times.
- The contractor will coordinate with garbage and recycling companies to ensure maintained service.
- There will be noise while work is being performed. Noise will include:
 - General construction noise
 - Beeping from backup alarms on construction equipment and vehicles
 - Flagger horns
