Forward Looking Statements

This presentation may contain certain forward-looking statements about First Mid, such as discussions of First Mid’s pricing and fee trends, credit quality and outlook, liquidity, new business results, expansion plans, anticipated expenses and planned schedules. First Mid intends such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995. Forward-looking statements, which are based on certain assumptions and describe future plans, strategies and expectations of First Mid are identified by use of the words “believe,” “expect,” “intend,” “anticipate,” “estimate,” “project,” or similar expressions. Actual results could differ materially from the results indicated by these statements because the realization of those results is subject to many risks and uncertainties, including, among other things, changes in interest rates; general economic conditions and those in the market areas of First Mid; legislative and/or regulatory changes; monetary and fiscal policies of the U.S. Government, including policies of the U.S. Treasury and the Federal Reserve Board; the quality or composition of First Mid’s loan or investment portfolios and the valuation of those investment portfolios; demand for loan products; deposit flows; competition, demand for financial services in the market areas of First Mid; accounting principles, policies and guidelines; and the impact of the global COVID-19 pandemic on First Mid’s businesses. Additional information concerning First Mid, including additional factors and risks that could materially affect First Mid’s financial results, are included in First Mid’s filings with the SEC, including its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q. Forward-looking statements speak only as of the date they are made. Except as required under the federal securities laws or the rules and regulations of the SEC, we do not undertake any obligation to update or review any forward-looking information, whether as a result of new information, future events or otherwise.

Non-GAAP Financial Measures

In addition to reports presented in accordance with generally accepted accounting principles (“GAAP”), this presentation contains certain non-GAAP financial measures. The Company believes that such non-GAAP financial measures provide investors with information useful in understanding the Company’s financial performance. Readers of this release, however, are urged to review these non-GAAP financial measures in conjunction with the GAAP results as reported. These non-GAAP financial measures are detailed as supplemental tables and include “Adjusted Net Income,” “Adjusted Diluted EPS,” “Efficiency Ratio,” “Net Interest Margin, tax equivalent,” and “Tangible Book Value per Common Share”. While the Company believes these non-GAAP financial measures provide investors with a broader understanding of the capital adequacy, funding profile and financial trends of the Company, this information should be considered as supplemental in nature and not as a substitute to the related financial information prepared in accordance with GAAP. These non-GAAP financial measures may also differ from the similar measures presented by other companies.
