Notes to editors:

Genel Energy is a socially responsible oil producer listed on the main market of the London Stock Exchange (LSE: GENL, LEI: 5493001VCJDWC3LR8F94). The Company is one of the largest London-listed independent hydrocarbon producers, with an asset portfolio that positions us well for a future of fewer and better natural resources projects. Genel has low-cost and low-carbon production from the Sarta, Taq Taq, and Tawke licences in the Kurdistan Region of Iraq, providing financial resilience that allows investment in growth and the payment of a material and sustainable dividend, even at a low oil price.
