This presentation may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are based on estimates, projections, beliefs and assumptions of management of the Company at the time of such statements and are not guarantees of future performance. Forward-looking statements involve risks and uncertainties in predicting future results and conditions. These forward-looking statements do not meet the safe harbor for forward-looking statements pursuant to Section 27A of the Securities Act or Section 21E of the Securities Exchange Act. Actual results could differ materially from those projected in these forward-looking statements due to a variety of factors, including, without limitation, changes in general economic conditions or changes in the conditions of the industries in which the Company makes investments, risks associated with the availability and terms of financing, changes in interest rates, availability of transactions, and regulatory changes. Certain factors that could cause actual results to differ materially from those contained in the forward-looking statements are included in the "Risks" section of the company's prospectus dated July 2, 2014 and its preliminary prospectus supplement dated July 29, 2014 and the company's subsequent periodic filings with the SEC. Copies are available on the SEC's website at [www.sec.gov](http://www.sec.gov) and the Company's website at <http://www.tcpcapital.com>. Forward-looking statements are made as of the date of this presentation, or as of the prior date referenced in this presentation, and are subject to change without notice. The Company has no duty and does not undertake any obligation to update or revise any forward-looking statements based on the occurrence of future events, the receipt of new information, or otherwise.

## TCPC

- Business development company (BDC)
- Trades on NASDAQ: “TCPC”
- Expects to distribute most of its earnings as dividends<sup>(1)</sup>
- 8.7% current dividend yield<sup>(2)</sup>

## Investment Objective

We seek to generate high total returns through current income and capital appreciation, with an emphasis on principal protection

## Leveraged Loans

Focused on direct origination of senior secured loans to stable middle-market borrowers:

- Contractual first claim ahead of subordinated debt and equity
- Assets pledged as collateral
- Interest payments typically floating rate

(1) There can be no assurance that dividends will continue at current rates or that quarterly cash distributions will be made.
