

DISCLAIMER

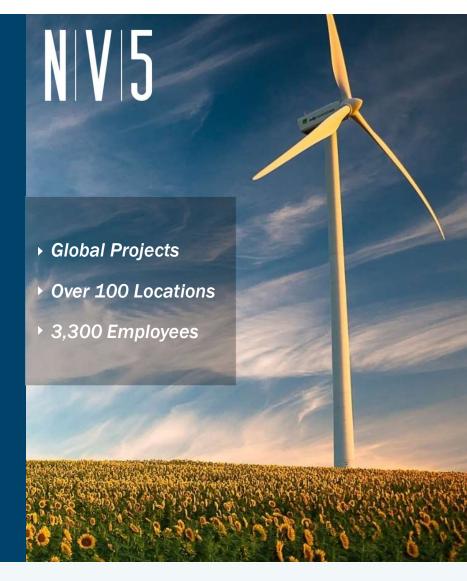

This presentation includes, and our officers and representatives may from time to time make, certain estimates and other forward-looking statements within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995, including, among others, statements with respect to the Company's (i) ability to drive organic growth, create cross-selling opportunities and synergies, improving bottom line performance, growing revenues and maintaining strong backlog, (ii) ability to pursue profitable and accretive acquisitions, (iii) strategy for acquisitions and organic growth, market position and financial results, (iv) ability to build and target higher-margin sector clients, (v) anticipated revenue growth (vi) ability to invest in human capital, implement process improvement, and ability to drive scalability; (vii) guidance relating to gross revenues by vertical, gross revenues, annual revenues, earnings per share and target EBITDA margins, (viii) ability to increase liquidity, and (ix) other statements of expectation. Words such as "expects," "anticipates," "intends," "plans," "believes," "assumes," "seeks," "estimates," "should," "expect," "strategy," "future," "will" and variations of these words and similar expressions, are intended to identify these forward-looking statements. While we believe these statements are accurate, forward-looking statements are not historical facts and are inherently uncertain. We cannot assure you that these expectations will occur and our actual results may be significantly different. These statements by the Company and its management are based only on our current beliefs, expectations and assumptions regarding the future of our business, future plans and strategies, projections, anticipated events and trends, the economy and other future conditions and are not guarantees of future performance. Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict and many of which are outside of our control, and actual results could differ materially from those presented in the forward-looking statements. Important factors that could cause actual results to differ from those in the forward-looking statements include, among others, the factors described in the "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" sections of the Company's most recent SEC filings, including the Annual Report on Form 10-K for the fiscal year ended January 2, 2021. Any forward-looking statement made by us in this presentation is based only on information currently available to us and speaks only as of the date on which it is made. The Company disclaims any obligation to update or revise any forward-looking statement, whether written or oral, that may be made from time to time, based on the occurrence of future events, the receipt of new information, or otherwise.
