MOLINIERE ROAD TO BE OPENED IMMEDIATELY TO FACILITATE FLOW OF TRAFFIC

St. George: November 12, 2024: The Ministry of Infrastructure advises the public that the Moliniere Road will be **opened immediately, and remain open for the next 24 hours in the first instance, to allow people to get to the west coast.**

The Ministry is urging extreme caution however, since the road is unpaved.

The opening of the Moliniere road is being employed as a temporary measure, because of landslides in the by-pass road through Mt. Moritz, as a result of incessant rain.
