

# **PRESS RELEASE**

Storage space at the Grenada Ports Authority is limited. This has been made more acute by the influx of relief aid flowing into the country.

**The Authority is making an urgent appeal to persons with barrels and personal effects to collect as early as possible, preferably within the free storage period of five (5) working days.**

Please contact your Agent/Freight Forwarder to ascertain if the container(s) has been stripped, and be reminded that **storage rent will be applied after the free storage period has expired.**
