K-9 resurfacing continues into Cloud County

Resurfacing on K-9 continues from Mitchell County into Cloud County this week.

A mill and overlay on K-9 in Cloud County will occur from the Cloud/Mitchell county line and continue east about 19.5 miles to the city limits of Concordia.

During construction, flaggers and a pilot car will be used to direct one lane of traffic through the work zone at a reduced speed. Drivers should be prepared for a delay of up to 15 minutes and plan extra time in their travel schedules.

Shilling Construction Co., of Manhattan, is the prime contractor for this \$4.07 million project which is scheduled to be completed by mid-November, weather permitting.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas, go to www.kandrive.gov or call 5-1-1.
