U.S. 75/I-70 ramps to temporarily close overnight

The Kansas Department of Transportation has scheduled temporary ramp closures to occur in the early morning of Tuesday, Dec. 3, as part of the U.S. 75 flyover bridge repair project in Topeka.

Conditions permitting, the southbound U.S. 75 flyover bridge to eastbound I-70/Gage Boulevard will be closed from 2 a.m. to 6 a.m., or until work is complete. The eastbound I-70 ramp to northbound U.S. 75 will also be closed, but traffic will have access to Gage Boulevard. The closures are necessary to move safety nets under the southbound flyover.

During the closure, a marked detour will direct southbound U.S. 75 motorists to westbound I-70, Fairlawn Road, back to eastbound I-70 or Gage Boulevard. Northbound U.S. 75 traffic will take the Gage exit, then enter westbound I-70 to the northbound U.S. 75 ramp.

Drivers can follow the marked detours or use alternate routes. Message boards and signage will be in place to alert and direct motorists.

KDOT urges motorists to stay alert and follow posted signs in all work zones. For current road conditions, visit www.kandrive.gov or call 5-1-1. For updates on highway projects in northeast Kansas, visit <https://www.ksdot.gov/bureaus/offtransinfo/NENRelease.asp>.
