Weekend I-135 northbound, southbound closures in Wichita

Weekend closures on I-135 will take place two weekends in a row for the same times at the exact location.

The first closure will begin on **Saturday, Sept. 28**, as the Kansas Department of Transportation will temporarily close southbound I-135 from the K-254 interchange to just past the K-96 interchange. In addition, northbound I-135 motorists will be required to exit onto eastbound K-96.

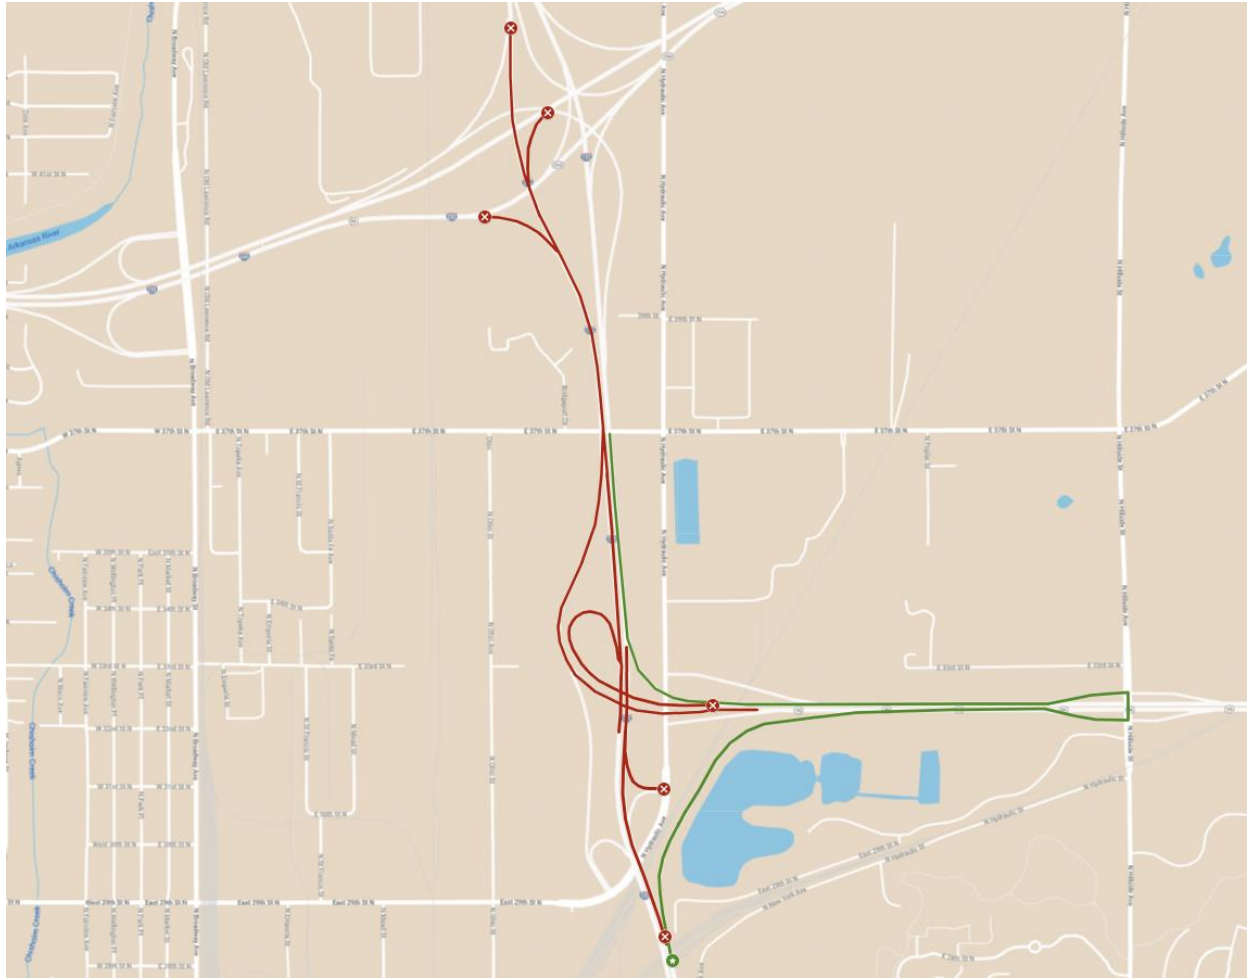

These closures in Wichita are necessary to erect a girder. At 5 a.m. on Saturday, the ramp closures will commence, with completion expected late on **Sunday, Sept. 29**.

During the closures, motorists can take westbound K-96 to northbound I-135. Detour signs will be in place to guide drivers to alternative routes. Motorists are advised to exercise caution while traveling through the area.

Detours and times will remain consistent with the temporary closures beginning **Saturday, Oct. 5**.

The map below outlines the project area.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas, go to www.kandrive.gov or call 5-1-1.
