### **K-42 reconstruction, detour to begin soon in Pratt County**

A K-42 pavement reconstruction will start soon at Sawyer, in Pratt County.

The Kansas Department of Transportation project will be from the K-42/U.S. 281 junction to the east city limits of Sawyer.

The work is expected to begin around Monday, July 29, and be completed around Oct. 9.

During the work, K-42 will be closed through Sawyer, and motorists will be directed to an official state detour on U.S. 281, U.S. 54/400 and K-14.

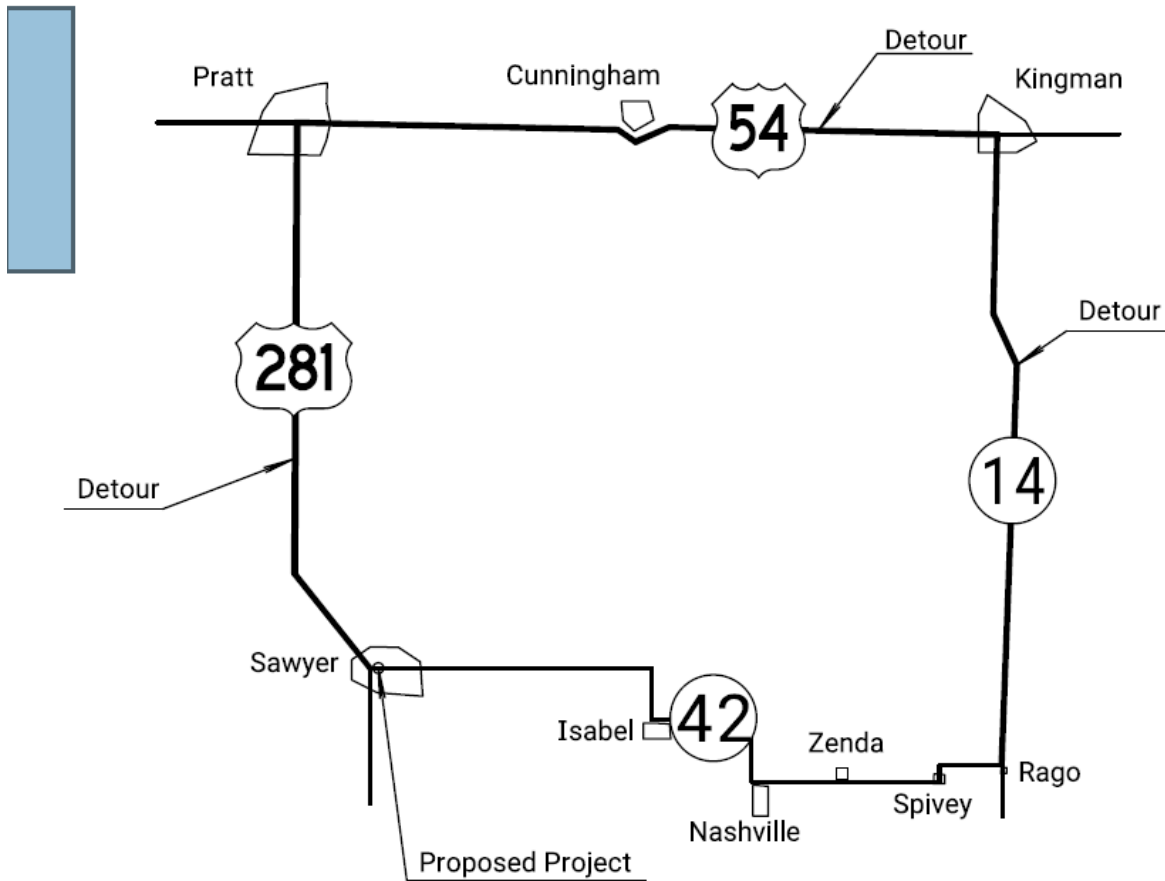

KDOT uses state highways for official detour routes for safety, weight and maintenance concerns.

**The first map below shows the approximate project location, marked with the red dot. The second map shows the detour route.**

Vogts-Parga Construction, of Moundridge, is the primary contractor for the \$1,597,038 project.

For updated information on this and other KDOT highway projects and road conditions across the state, go to [www.kandrive.gov](http://www.kandrive.gov).
