KDOT to repair U.S. 54 Verdigris River bridge

The week of Sept. 30, the Kansas Department of Transportation expects to start a handrail and deck overhang repair project at the Verdigris River bridge on U.S. 54. The bridge is just west of the Greenwood/Woodson county line.

Temporary signals will control one-lane traffic in the work zone area; expect brief delays. Weather permitting, the repairs should be completed by mid-November.

KDOT awarded the construction contract of \$178,849 to PBX Corporation & Subsidiary, Sapulpa, Oklahoma. Check KDOT's updated traveler information website, www.kandrive.gov, for more highway condition and construction details. Persons with questions may contact Construction Manager Warren Ebberts at (620) 901-6549 or Public Information Officer Priscilla Petersen at (620) 902-6433.
