U.S. 36 culvert replacement to begin next week

Beginning Monday, July 29, maintenance crews with the Kansas Department of Transportation will be replacing a culvert on U.S. 36 in Brown County. The work area is located just east of Hiawatha near Mallard Road.

Temporary traffic signals will direct traffic through the area for the duration of the repair project, which is expected to be complete by Aug. 9, conditions permitting. Motorists should plan for delays of up to 10 minutes.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of highway construction projects across Kansas, go to www.KanDrive.gov or call 5-1-1.
