U.S. 54 lane closures starting Aug. 4

On Sunday, Aug. 4, the Kansas Department of Transportation will be close the left and center lane of eastbound U.S. 54 from Hillside Street to Webb Road in Wichita.

The lane closures are necessary for a patching project to take place at night. The work will generally occur from 7 p.m. to 6 a.m. Sunday through Thursday.

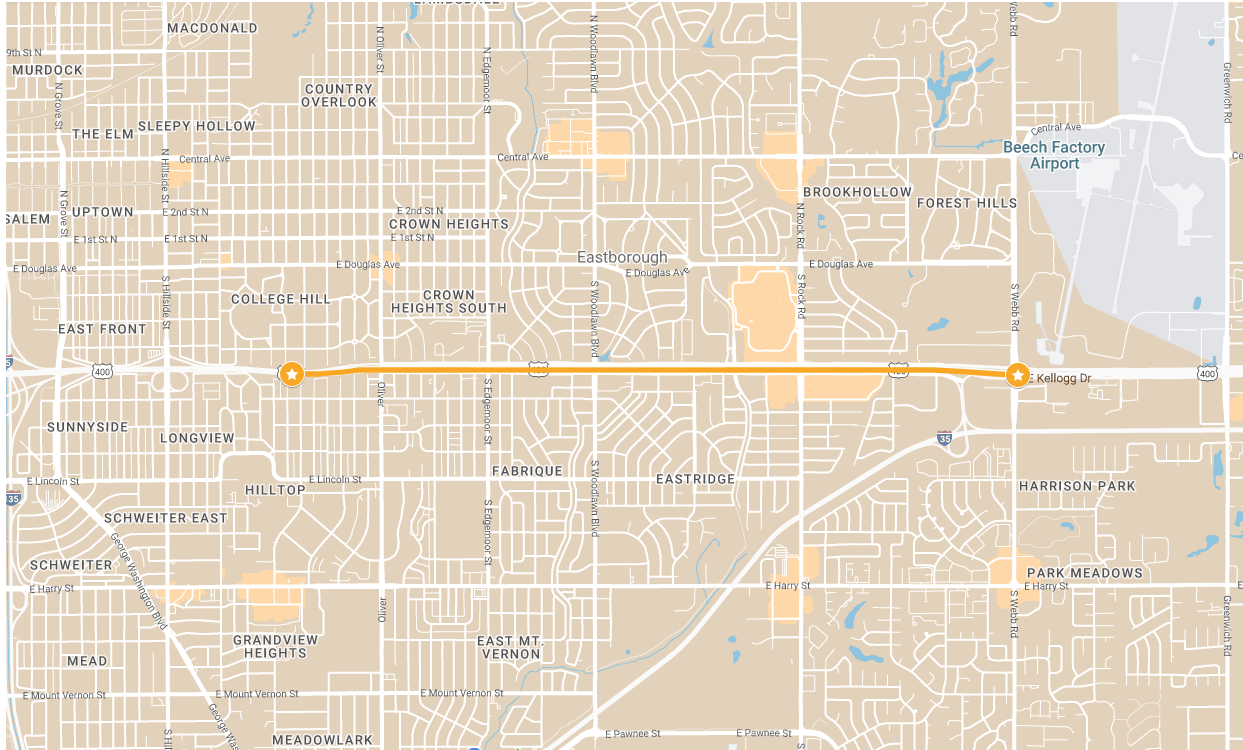

Maintenance work will occur on the right lane during intermittent lane closures that will take place throughout the project. It is estimated the project will conclude by late December, conditions permitting.

During construction, the speed limit will be reduced to 50 mph in the work zone.

The map below outlines the project area.

Emery Sapp & Sons of Columbia, Missouri, is the primary contractor for the \$1.4 million project.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas, go to www.kandrive.gov or call 5-1-1.
