I-70 reopened between Oakley and Goodland

The Kansas Department of Transportation has reopened westbound I-70 between Oakley and Goodland. Westbound lanes will remain closed at Goodland as winter weather continues to affect Colorado.

Motorists should be aware that accommodations and truck parking are limited in northwest Kansas and are advised to postpone westbound travel or seek alternative routes. Parking availability updates will be posted on KDOT's electronic message signs along I-70 and on the Northwest Kansas KDOT Facebook and X pages.

For the latest updates on road closures and conditions, visit [kandrive.gov](#), or call 511 in Kansas or 866-511-5368 outside Kansas.
