Westbound I-70 reopened

Westbound I-70 has been reopened between Colby and the Colorado border. The route was previously closed because of winter weather conditions in Colorado.

Westbound U.S. 36 remains closed at St. Francis. That closure is expected to remain in effect overnight.

Roads may be snow packed and icy in some areas of northwest Kansas. Motorists are advised to slow down, use caution and be prepared for changing weather and road conditions.

For the latest information on road closures and conditions, visit www.kandrive.gov or call 511 in Kansas or 866-511-5368 outside Kansas.
