## **U.S. 59 project to begin tomorrow in Atchison County**

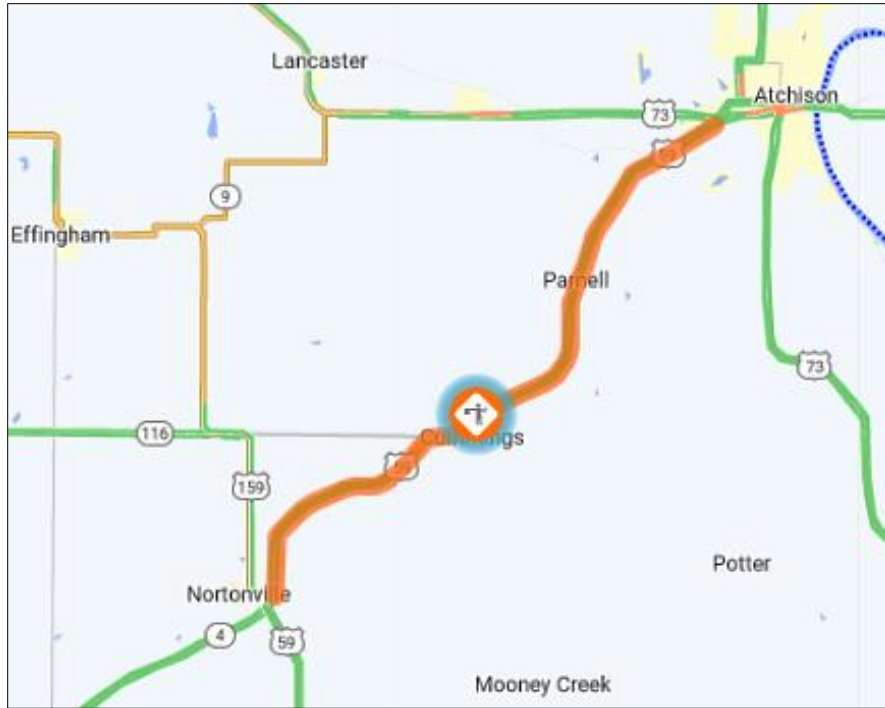

The Kansas Department of Transportation plans to begin a crack sealing project on U.S. 59 tomorrow, Nov. 13. The 14-mile project extends from the Atchison/Jefferson county line to the southern city limit of Atchison.

Traffic will be restricted to one lane and directed by a pilot car and flaggers where crews actively are working. Drivers should plan for delays of up to 15 minutes.

Work will take place Monday through Friday during daylight hours and is expected to be complete by the end of this month, conditions permitting.

Pavement Pro's, LLC, of McPherson, is the prime contractor on the \$70,000 project.

KDOT urges motorists to stay alert and follow posted signs in all work zones. For current road conditions, visit [www.kandrive.gov](http://www.kandrive.gov) or call 5-1-1. For updates on highway projects in northeast Kansas, visit <https://www.ksdot.gov/bureaus/offtransinfo/NENRelease.asp>.
