KDOT promotes Ramberg to Chief of Human Resources

The Kansas Department of Transportation has announced the promotion of Debbie Ramberg to Human Resources Bureau Chief.

With more than 30 years as a human resource professional, Ramberg will lead KDOT's training and development, employee relations and recruitment and retention efforts.

"I am honored to lead initiatives that support the incredible team at KDOT," Ramberg said. "Our agency has a reputation as a great place to work and grow professionally, and my priority is to deliver exceptional service to our staff who keep Kansans moving forward every day."

Since joining KDOT in March as the Assistant Bureau Chief for Human Resources, Ramberg has increased training opportunities for supervisors, created an inclusive benefits orientation for new hires and facilitated a comprehensive benefits open enrollment campaign.

Previously, Ramberg served as the Director of Human Resources for Topeka Public Schools, an Employee Relations Specialist with Stormont Vail and Vice President of Human Resources for Capital City Bank in Topeka.

Ramberg earned her bachelor's degree in business administration, with a concentration in psychology, from the University of Kansas. She also holds a Senior Professional in Human Resources (SPHR) certification and a Society for Human Resource Management Senior Certified Professional (SHRM-SCP) certification.
