Manufacturing Focused Statewide Virtual Hiring Event

PIERRE, S.D. – The Department of Labor and Regulation is hosting a “Manufacturing” virtual hiring event on Thursday, Oct. 3 from 2 to 5 p.m. CDT/ 1 to 4 p.m. MDT.

Partners for this event include the South Dakota Governor’s Office of Economic Development, South Dakota Manufacturing and Technology Solutions, South Dakota Chamber of Commerce and Industry, and the Economic Development Professional Association.

This event is geared toward individuals interested in pursuing a career in the manufacturing industry. Manufacturing is a vital industry in South Dakota and our state's manufacturers provide the world with high-quality products such as medical goods, devices, radiators, programmable display systems, and automated farm technologies.

Manufacturing provides great career opportunities for individuals. In 2023, 45,303 people were working in the industry, earning an average annual wage of \$61,351. With a total of 1,093 establishments in South Dakota, there are multiple career opportunities.

Interested individuals needing help with a resume or cover letter before attending the event can contact a [Job Service office](#) to schedule an appointment with an employment specialist.
