

MEMORANDUM

From: Christian Wisniewski

To: EPA Air Docket: EPA-HQ-OAR-2022-0606

Subject: EPA Meetings and Relevant Stakeholder Communications between Signature of the Proposed Rule and Publication of the Final Rule: Phasedown of Hydrofluorocarbons: Management of Certain Hydrofluorocarbons and Substitutes under of the American Innovation and Manufacturing Act of 2020

This memorandum provides a list of meetings with EPA and stakeholders concerning the Emissions Reduction and Reclamation rule that occurred between the signature of the proposed rule and signature of the final rule and other relevant information submitted by stakeholders between proposal and final. Materials are provided in the docket, where relevant, as attachments to this memorandum. The attachments to this memorandum indicate where information claimed as confidential business information (CBI) was provided to EPA and cannot be made available in the public docket.
